1-25-24 Program

Sunday, January 21, 2024

Club Program for Thursday, January 25th, 2024

Mrs. Renton Ambassador

Hello, I am Jennifer Brothers. I have been a Renton resident, owning three homes, I lived in two different apartments and one condo, and raised my three children, mostly as a single parent, for the last 39 years. I am happily remarried to my husband Ron. We met and married at the NL Church in Renton. I am currently semi-retired from a 39-year career as a hairstylist. In my spare time I love to serve in the community. As a stylist, I have always been "in service" to others. It is what makes my heart sing. Three years ago I was honored with becoming Mrs. Renton Ambassador from the Chamber of Commerce. An honor I take very seriously and am always looking for ways to serve. My motto is "Unity in Community." I enjoy volunteering for the city, causes, fundraisers and or events, supporting local businesses, city council members or city officials or anywhere I feel led to be. My vision and purpose is to spread compassion for all of humanity and to shine a light of empowerment so others may know their worthiness.

Join us this Thursday at noon at the Fairwood Golf and Country Club.

Last Week's Speaker

We Heart Seattle

If you missed last week's program, you missed a good one. Rotarian Andrea Suarez presented the work of the non-profit We Heart Seattle (weheartseattle.org) and wowed us with her energy, passion and get-it-done attitude. Highly recommend checking out the website and be ready to be inspired. The power of one is amazing and, when combined with the power of many, is world-changing.

Foundation Support â€” Make an Impact and Secure Recognition Thanks to District 5030!

We are promoting three amazing opportunities for all Rotarians within District 5030. We want to make sure everyone has an opportunity to make an impact in the world, their communities, and themselves by supporting our Rotary Foundation. The Foundation represents the tremendous power of our collective power to serve beyond ourselves to make an impact in the lives of others. [Read More](#)

Rotary District 5030 Embarks on Ambitious Lithium Battery Recycling Campaign

The District 5030 Environmental Sustainability Committee is launching a very ambitious Rotary campaign to recycle lithium ion batteries throughout our District. These are batteries that come in cell phones, laptops, tablets, power drills, e-bikes, electric vehicles and anything that is rechargeable. Lithium-ion batteries are a phenomenal technology that can propel us into a clean energy and transportation future. All lithium-ion batteries are made up of varying amounts of critical minerals like cobalt, nickel, copper and lithium. What is incredible is these minerals can be recycled almost infinitely.
