ROTARY FOUR WAY TEST

Of the things we think, say, or do:

- 1) *Is it the TRUTH?*
- 2) *Is it FAIR to all concerned?*
- 3) *Will it build GOODWILL and BETTER FRIENDSHIPS?*
- 4) *Will it be BENEFICIAL to all concerned?*

Victoria Do
Community Development Manager
American Cancer Society

As a Community Development Manager, Victoria is fortunate to work with community members who are working together to fight cancer! She is excited to build more partnerships with anyone looking to support this cause. Victoria is a resource for information regarding programs to help cancer patients and their families, volunteer opportunities, networking opportunities, and the ideal way to align your company with this cause.

We've all been touched by cancer, and I will continue doing what I do so that less people will have to say the words "I have cancer".

A little bit about me:

As a way to recharge, Victoria love's to test out new recipes in the kitchen and spend quality time with my furbabies.
