## Renton Rotary Updated on Family First Community Center

How lucky we are to have Doug Baldwin as a leader in our community!!! The Family First Community Center was founded by Doug Baldwin, in public/private partnership with the City of Renton, Renton School District, and HealthPoint, to build a state-of-the-art community center in Renton's Cascade/Benson Hill neighborhood.

Their vision is to provide youth and families in the area with a community center that offers health, wellness, recreational and educational opportunities.

Please consider donating to this fantastic project - you can find info at [www.FamilyFirstRenton.org](http://www.FamilyFirstRenton.org).

See more pictures in our photo gallery - go to Club Links at the top menu bar.
