

## Renton Rotary selects Youth of the Month

April 2019 – Rotary Club of Renton has selected their Youth of the Month for April.

Rotary members recognize three Renton School District high school students each month as Youth of the Month. After being selected by counselors at each of the district's three comprehensive high schools, a selection committee of Rotarians review applications and interview students to identify those who will be selected as Youth of the Month. The award is given to students who possess leadership abilities, maintain a good grade point average, participate in school activities and volunteer in their community.

The students and their parents are honored guests at a regular Rotary luncheon.

April Rotary Youth of the Month are:
