Program for January 24 Official Visit from Rotary District 5030 District Governor Rachele Bouchand

Rachele currently serves as the Governor of District 5030. She's been a member of the Bellevue Rotary Club since 2009 and is focused on growing leadership opportunities for our members through the RISE (Rotarians Inspired to Succeed and Engage) leadership program. Rachele was also a member of the Rotary International Next Generation Conference in 2014, which represented 30 emerging Rotary leaders across the United States. Lastly, she was able to blend her vocational and Rotary lives when she served as a member of the Global Polio Finance Committee.

Her Rotary classification is Financial Services-Family Office. Rachele currently serves as Managing Director of Pathstone, where she is responsible for advising families and single-family offices on a variety of wealth management and estate planning topics. She has over 20 years' experience working with multi-generational wealth and foundations.

This Friday: Between a Rock & a Hard Place ~ by Carol Butler

The Seattle Yacht Club notified the University District Rotary Club that as of January 1st, the Yacht Club instituted a substantial cost increase to our per meeting costs. These consist of a new \$400 per meeting room charge along with a \$2 per meal increase before taxes and other charges. To begin addressing this, the UDRC Board appointed a Task Force to examine the impact of the changes and to consider potential options.

Following our District Governor's address at the meeting on Friday, January 24th, the Task Force will lead a 30-minute conversation to identify the impacts to UDRC finances. Members will participate in this comprehensive discussion.

The Task Force members ask that you forward all questions or ideas you may have to Carol Butler at peabody087@gmail.com no later than noon on January 21st.

Please plan to attend and to be an active participant in this important conversation. In the interim reach out to your Rotary friends and associates to encourage their attendance and participation. The Task Force members are aware that some individuals might not read the Bulletin or open an email. It matters that everyone knows about the meeting and attends.

Hands on Environmental Project on April 19 from 9-1 pm.

Our dynamic Rotary District 5030 Environmental Sustainability Committee is very active this year and is inviting members of our club to participate in a hands on environmental project on April 19 from 9-1 pm.

We will be working on the banks of Seattle's only river namely the Duwamish River. Our work will include removing invasive species and planting indigenous trees and shrubbery. This is a District-wide project and we need 40 volunteers to join us.

At the beginning at 9 am, we will have George Blumberg, historian with the Port of Seattle, share an update on the major cleanup being coordinated by the EPA as a Superfund site. We will also have someone from the Duwamish Tribe share about the native history going back 10,000 years in connection with the Duwamish River.

There will be coffee and donuts in the morning followed by vegetarian lunch around noon.

Please let Dave Spicer know if you are interested. This is first come first serve and expect to hit 40 volunteers very quickly as we anticipate Rotarians from other clubs will want to join in the action.

Only need to bring boots appropriate for working in the mud and working gloves plus a water bottle. Tools and porto potty on site.

This is a very meaningful outing and definitely helps our environment!

Here's a Way to Help the Los Angeles Area Recover from the Horrific Fires

The Los Angeles area has been devastated by large fires. Many thousands of homes have been destroyed, and tens of thousands of residents have been evacuated.

Our Rotary colleagues in the affected Districts - Districts 5280 and 5300 - have activated District Disaster Relief Funds to assist the victims of the fires. District 5280 (Los Angeles) has also created a Resource Directory and online spreadsheet for In-Kind Donations

From Rick Jones:

Hey THANKS for a great monthly service day today at the Y.

We made over 80 lunches and when I left at 1:30 there were only 7 waiting to be picked up. It continues to be a solid community service activity, and the \$295 cost for groceries this month went a long way for the hungry folks who came for lunch!

(The crew is on the left.)

Support Black Colleges' Work Equalizing Playing Field

For more than 80 years, the United Negro College Fund has supported Black high school students in pursuit of higher education.

As the nation's political climate has changed in ways that could make it more difficult for students of color to enter college, it's refreshing to see efforts underway in Seattle that support their college attendance.

One way is by exposing high school students to historically Black colleges and universities.

For years, the UNCF and other civic organizations have provided college tours to HBCUs. The tours take students from the Pacific Northwest to historic colleges throughout the South, such as Spelman College and Morehouse College in Atlanta, Ga., Tennessee State and Fisk University in Nashville, Tenn., and Grambling State and Southern University in Louisiana.

"It's an incredible experience for them," said **Linda Thompson-Black**, Area Development Director for UNCF Washington, Oregon & Alaska. "They actually get to talk to presidents or vice presidents of the schools."

The U.S. Supreme Court ended race-conscious college admissions in 2023, and admissions of Black and Latino students at predominantly white schools have dropped. That makes HBCUs not only a more affordable choice, but a more welcoming one, Thompson-Black said.

HBCUs produce 17% of Black bachelor's degrees, and about 24% of STEM degrees obtained by Black students. Noted graduates of HBCUs include Vice President Kamala Harris (Howard), Rev. Martin Luther King Jr.

(Morehouse), former Homeland Security Secretary Jeh

Johnson (Morehouse) and Oprah Winfrey (Tennessee State).

But preparation is key. To get students ready for college, the UNCF offers a yearlong program of workshops that help students prepare for college life, research and apply for scholarships, and write application essays. The average scholarship granted by the Seattle UNCF for Washington students is \$13,410.

Since all won't be able to go on tours, some HBCUs come to Seattle. Seattle Public Schools will host a Black College Expo Saturday from 10 a.m. to 3 p.m. at Rainier Beach High School.

Students can interact with representatives from about 50 colleges.

They can apply for admission and some schools will waive application fees and even grant admission on the spot.

Higher education, whether at a community college or four-year institution, remains the greatest equalizer when it comes to opportunities in life.

To help to continue that goal, the Seattle UNCF will host a fundraising gala on Feb. 22 at the Hyatt Regency Seattle. Proceeds will help sponsor scholarships for deserving students and other program needs.

Indeed, the UNCF's motto remains true: "A mind is a terrible thing to waste but a wonderful thing to invest in."

Editorial board members are editorial page editor Kate Riley, Frank A. Blethen, Melissa Davis, Josh Farley, Alex Fryer, Claudia Rowe, Carlton Winfrey and William K. Blethen (emeritus).

We Need Your Help!!

When a restaurant donates a portion of its profits to charity for a specific period, it's called a restaurant fundraiser. What happens is our club works with a restaurant to select a period and invite community members to dine at the restaurant during that time. The restaurant then donates a percentage of its sales during that period to us.

If you know of a restaurant or retail establishment that offers such fundraisers, please drop an e-mail to Susan Sola at s.sola@comcast.net.

Thanks so much!

Join Jeff Werthan and your fellow UDRC members for a fun FunRaiser!

What: Guided tour of the new Seattle Convention Center - Summit Building

Where: Seattle Convention Center - [900 Pine St., Seattle 98101](#). Meet inside the main entrance of the building by 10:45.

Cost: There is no cost for the tour. Your donations are appreciated and one hundred percent will be distributed to our Service Fund.

After our guided tour has ended, we will enjoy a no host lunch at a restaurant to be selected shortly. I encourage you to join me and take Link Light Rail to Summit. If you are hesitant to do so, please let me know, and I will arrange for one of our club members to meet you and to help orient you to the process. Finally, please let me know if you are planning on attending, so we can anticipate the number of attendees. Thank you.
