Program for February 2

Rick Lawrence

Guatemala Water Projects

Rick received Bachelor of Building Science and Bachelor of Architecture degrees from Rensselaer Technical Institute in Troy, NY. He was a practicing architect in Manchester, Connecticut, for 46 years until his retirement in 2015.

He joined the Manchester Rotary Club in 1978 and in 2000 received the first of eight Paul Harris Fellow awards. For the past nine years he has served as District 7890 Chair for Water and Sanitation Projects. In 2014 Rotary International presented him with the "Service Above Self" Award, Rotary's highest honor and awarded annually to a maximum of 150 individuals.

While vacationing in Guatemala in 2006, Rick attended a meeting of La Antigua Rotary Club, making the connections that have resulted in 30 sustainable clean water and sanitation projects, completed 2007-2023. In the last 10 years, he has written and completed 12 Global Grants to support these projects.

His presentation to our club will show the history of these projects, the four basic components, and how they improve the lives of the indigenous Mayan recipients.

Hands-On Opportunity at Magnuson P-Patch *(by Wendy Reilly)*

Our Community Service Committee and Service Fund Board recently approved a \$4,344 grant to both repair and add wooden ADA-format raised bed garden boxes for gardeners with mobility challenges at the Magnuson P-Patch.

An opportunity for Rotarians to volunteer to help with the work is coming up February 10 (rescheduled from January 27), 9:00 am-1:00 pm. Work will include moving wood and dirt, as well as some drilling.

The P-Patch is located at 7400 Sand Point Way (Seattle). See additional directions on the last page of this bulletin.

Wendy Reilly, the project sponsor, requests that club members who plan to participate send her an email at wendreil@msn.com.

Update on Club Meeting Task Force—Next Meeting February 13

The task force that is working on options for our club lunch meetings will meet again on Zoom at 4:00 pm on February 13. The task force is looking for venues where we might be able to meet in person and pay less than the Yacht Club's \$40 for lunch.

As noted by Kirk Laughlin, our club treasurer, in our January 17 bulletin, many clubs in our area are facing this challenge. Some have changed venues, scaled back meals or are not holding in-person meetings every week.

Application of New Club Member Approved by Club Board

The application of **Eric Parsons** was approved by our Club Board at its first meeting of 2024 (January 8). His sponsor is Jeff Werthan.

In his application Eric wrote: "I was born in Ohio but grew up in Wisconsin and have had the good fortune to have lived all over this country - Washington, D.C., New York City, Miami Beach, Oakland, and, of course, Seattle. I have 30+ years of experience in the non-profit and government arenas on issues related to municipal policy planning, juvenile justice, health care, welfare reform, workforce development, and arts and community engagement. I have served in the public sector at a high level, including Chief

of Staff to a New York City Commissioner, and five years as a chief legislative aide to a Seattle City Councilmember. I managed a national education reform program for the National Urban League, and in Miami Beach, was part of a team that raised \$45 million towards the construction of a new symphony hall. Currently, I am the Director of Partnership and Advancement for the Urban League of Metropolitan Seattle. I serve on the boards of Arte Noir and Seattle Arts and Lectures."

Eric has an M.A. in Urban Affairs and Policy Analysis from The New School for Social Research, New York, New York; and a B.A. in Print Journalism from Howard University, Washington, D.C.

As a hobby, Eric enjoys tennis. He lives in the Capitol Hill neighborhood of Seattle. His email is egerardparsons@gmail.com, and his cell phone is 510-435-1577.

ROTARIAN OF THE MONTH

Dale Hicklin

Dale has been a member of our club since 1984. Over many years he has led our Husky football ushering effort, a hands-on project in which many club Rotarians have participated, that has raised thousands of dollars each year to support our community and international service projects. Dale frequently sings at our Friday meetings, for which he takes a lot of ribbing. He is also well-known for his sense of humor, both in song and word, so he gets in lots of ribbing on fellow club members himself.

Ronald McDonald House Thanks UDRC Rotarians *(by Son Michael Pham)*

Subject: Thank You University District Rotary Club

Hello Son Michael, Judy, Dave, Judy, Ling, Rosemary, Stephanie and Angie,

Thank you for another wonderful afternoon shared in the kitchen.

Sarah and I always enjoy our time spent working alongside and getting to know you all.

You all did an amazing job cutting all those perfectly uniform onions and peppers, portioning the almost infinite amount of sour cream, pico de gallo, tortillas, tortilla chips, grapes, and cookies. We were so impressed with how well you all worked together, and how each of you supported each other and the attention to detail given to each task. The fajita meal was a huge success as almost all the meals were gone by the morning. A wonderful job by the best group ever!!

Thank you for your continued support. It means the world and we could not have done it without you. We look forward to the next time the U. District Rotary Club will be with us.

Gratefully,

Dylan, Sarah, Marla, and the staff and families of the Ronald McDonald House

Dylan Carson

Kitchen Coordinator | Ronald McDonald House Charities of W. WA & Alaska

We offer the comforts of home and support services to families of seriously ill children near the medical care they need.

One of our club's longest ongoing hands-on projects is the Family Meal Program at the **Ronald McDonald House Charities of Western Washington & Alaska**. Yesterday (Jan. 25) our team of volunteers prepared and packed 150 meals for the children and families staying at our favorite House. Funding for this project is made possible by funds raised at our Annual Benefit Event (coming this April 25, 2024). This year our Service Fund budget includes \$3,000 for this project.

SPECIAL PROCUREMENT ITEM REQUEST #1

Imagine winning 2 Round Trip, 1st Class Alaska Airlines tickets to anywhere Alaska Airlines flies. Sound good?

This is the item the 2024 Fundraising Committee would like to offer as a raffle ticket this year.

Vicki Robbins has spoken with Alaska Airlines and we would need **360,000 miles** to accomplish our goal.

We are seeking one of the following:

- 4 people donating 90,000 miles each or
- 2 people donating 180,000 miles each or
- 1 person donating 360,000 miles or
- 2 people donating 90,000 miles and 1 person donating 180,000 miles.

If you have 90,000 or more Alaska Airlines miles please email sallypor789@gmail.com.

Thank you for considering our "Ask."

Invitation to Host Foodies *(by Paula Williams)*

UROCK Foodies – noun – friends bound by a love of food and an open-minded hunger for knowledge of different cultures and cuisines.

It's not necessary that you be a gourmet or that you have kitchen skills that would impress even Gordon Ramsey. What does matter? The love.

You love food,
You love to explore, and
You love a good time with friends.

How does one become a UROCK Foodie?

Show up for dinner with your dish,
Uh, that's it...

Stay tuned. In addition to dinners, upcoming events include: cooking classes and demonstrations, restaurant visits, special holiday events, et al. We'll announce our February event here in the bulletin.

Also, we're currently seeking volunteers to host upcoming events. Members have hosted parties in houses and apartments, on rooftops, in community rooms, et al. You provide a place. We bring EVERYTHING else, including a clean-up crew. Email me, Paula Williams, at PDayWms@gmail.com or Asha lovin at Asha.lovin@gmail.com to get on our calendar. Grab your preferred month before it's gone.

Bon Appetit!

Request from Reese Reddemann (UDRC Public Image Intern)

I need content for promotion of the club. At any event, please take vertical videos (while holding your phone upright). I have found that iPhones work best but I can work with video from Android phones as well. Short videos of people talking, working together and smiling/laughing and actually doing something (for example: Ushering at the Husky Game, making sandwiches, assembling hygiene kits, and clearing invasive plants) will help me tremendously. Pictures are also great but 10-15 second short videos have more impact. Please send them to me at reese.reddemann@gmail.com. Thank you!

Check out our Instagram page @udistrictrotary, which you can follow with this link - <https://www.instagram.com/udistrictrotary/>. The first campaign we are doing is the "Did You Know?" Campaign.

The Foundation of the Rotary Club of the University District is called "University Rotary Service Fund." It is a charitable organization with a 501(c)(3) tax-exempt status. The Service Fund's EIN, or tax ID, is 91-1123239.
