Chris Reykdal

The state of Washington's public schools coming out of Covid

Chris Reykdal is a transformational, visionary leader with a career in public education and an unwavering commitment to doing what is right for students.

First elected in 2017, Chris Reykdal is currently serving in his second term as Washington's 16th State Superintendent of Public Instruction.

Known for pushing against the status quo to meet the evolving needs of our students and our economy, Chris has spearheaded some of the most transformational changes Washington's K-12 public education system has seen in decades.

As a former teacher, soccer coach, school board director, state legislator, and executive for our state's community and technical college system, Chris has a unique perspective of the K-12 system and how our state supports learners from preschool through postsecondary learning.

Chris graduated summa cum laude from Washington State University with a bachelor's degree and a teaching certificate, and he earned a master's degree in public administration from the University of North Carolina-Chapel Hill.

Chris is a lifelong learner who enjoys solving complex problems with data and research. In his free time, you can find Chris hiking, cheering on Washington's sports teams, listening to 80s music, or seeing a movie with his family.

Dave Weaver to Receive the *Spirit of Rotary Award* **April 25, 2024**

The award will be presented Thursday, April 25, 2024, during the University District Rotary Club's Annual Dinner and Auction.

Dave Weaver's contributions to our global community span three decades and include Polio vaccination efforts, libraries and computer labs in Ethiopia, water and sanitation projects in 34 Ethiopian villages, building houses in Ethiopia and Guatemala and working locally with Harvest Against Hunger and securing food for families in need.

Please join us on April 25, 2024, at the Nile Shrine Center in Mountlake Terrace to acknowledge and honor our 2024 Spirit of Rotary recipient.

ROTARY MISSION The 32nd HumaniTour Viet Nam May 15 – May 24, 2024

**KIDS
WITHOUT
BORDERS**

Option to continue on to Rotary International Convention in Singapore May 24-29, 2024

A combination of 'humanitarianism' and 'tourism', the Rotary HumaniTour offers a unique opportunity to go on a vacation and change lives. Started in 2001, the HumaniTour is a project of Kids Without Borders (KWB).

About ...

- The 32nd mission: 8 nights in Viet Nam with stops in Hanoi, Hai Phong, Ha Long, and Saigon.
- Option to continue on to the Rotary International Convention in Singapore.
- Opportunities: experience the beauty of the country and people of VN, and connect with Viet Nam Rotary and Rotaract Clubs. Visit ongoing Rotary supported projects.

- Kids Without Borders: an all-volunteer international non-governmental organization based in Sammamish, WA. Over the last 20+ years, KWB has partnered with Rotarians & Rotary clubs in projects in Viet Nam.

Limited space. For information and trip reservation:

Son Michael Pham, Rotary Club of the University District Seattle (206) 484-4830 sonmichael.kwb@gmail.com

Candidates for Service Fund Board Announced *(by Paula Laschober, Service Fund Board President)*

At the April 5 club meeting, members will be invited to elect new Service Fund Board members and officers. Service Fund Board members normally serve three-year terms, so every year some members leave and new ones join the Board. This year we thank VP Bev Fogle and Treasurer Bill Herkes for their service.

The nominating committee, composed of past URSF presidents Lael Ross and Gary Corbett, as well as current president Paula Laschober, has nominated the following candidates for Board positions, to serve July 1, 2024-June 30, 2027: Hugh Brannon as a general board member and Brandon Fleming as Treasurer. Marella Alejandrino, elected last year, is the nominated candidate for Vice President.

The Service Fund Board is composed of 10 members. The Board meets monthly to provide approval for

Brandon Fleming

Hugh Brannon

Marella Alejandrino

community and international service grant applications and budgeted line items, make investment decisions, and consider other matters related to the club's charitable service work.

The Service Fund and the Club are separate entities but have the same members.

Follow-up Report on Magnuson P-Patch Project *(by Wendy Reilly)*

Our Community Service Committee and Service Fund Board recently approved a \$4,344 grant to both repair and add wooden ADA-format raised bed garden boxes for gardeners with mobility challenges at the Magnuson P-Patch.

Club members worked on the garden boxes on February 10. The work continues, and the photo shows P-Patch manager, Mark Houston, celebrating in the rain with repaired boxes. Lighter wood planks are the new ones purchased with our grant money.

Request from Reese Reddemann *(UDRC Public Image Intern)*

I need content for promotion of the club. At any event, please take vertical videos (while holding your phone upright). I have found that iPhones work best but I can work with video from Android phones as well. Short videos of people talking, working together and smiling/laughing and actually doing something (for example: Ushering at the Husky Game, making sandwiches, assembling hygiene kits, and clearing invasive plants) will help me tremendously. Pictures are also great but 10-15 second short videos have more impact. Please send them to me at reese.reddemann@gmail.com. Thank you!

Coming Up in Community Service! *(by Carol Butler and Rick Jones)*

University Family YMCA Community Meal Program Sunday, March 17, 11:00-2:30

Starting in March, the UDRC will join a Community Meal program taking place at the University Y, 5003 12th Ave NE. *Our monthly service day will be the 3^d Sunday (each month), 11am-2:30pm.* For the first hour or so, we'll be preparing 45-50 grab-n-go meals for community members. Once prepared, we'll distribute them to people coming to the Y for pick-up. Many members of this community are seniors, some are children, some are unhoused, and all the recipients are food insecure. A key part of our service is providing community along with the calories. Come prepared to visit!

This is an exciting program that gets us back to feeding needy folks in our community! We plan to support this program for a full 12 months, pending funding in the new Rotary year. Each month there will be room for 5-8 volunteers.

There is a sign-up and light training requirement involved. Save the date, March 17, and check sign-up details sent out to you in a DACdb email dated March 3, 2024.

Coming in April!

The Seattle Playgarden's Annual "Play, Grow and Learn" Luncheon takes place on April 30 at the Four Seasons Hotel, in downtown Seattle. Lunch is free but there will be an "ask." Reach out to Rick Jones at threepointoh@comcast.net for registration details.

Coming in May!

The U District Street Fair is May 18 and 19. Once again, the UDRC will be asked to staff and operate the 2 information booths on The Ave both Saturday and Sunday. This will be our 3rd year in that role, and it's been both fun and impactful for the neighborhood. Details to follow!

Coming in August!

UW Huskies Football!! It's time to think about ushering for Husky football home games. This UDRC tradition harkens back more than 20 years. It's fun, football-y, and raises money for the Club! This year the Huskies play 7 home games, stretching from August 31 to November 16.

Invitation to UDRC Rotarians

Please join us to celebrate the life of our Beloved

Dr. Joseph W. Scott

(May 7, 1935 - January 14, 2024)

Saturday, March 23, 2024 (10:00 am)
Seattle University: Chapel of St. Ignatius

Joe was a member of our Rotary Club 2004-2021.

Rotarian Volunteer Interviewers Needed *(by Lisa Latchford)*

**Come join us for our Partners for Work Project
Mock Interviews with Students with Disabilities
Friday, March 22, 2024
10:30am-12:00pm
Seattle Yacht Club**

Through **mock job interviews** Rotarians can offer an exceptional experience for students. As business representatives, we can provide an actual interview exercise where students can share their resume, experiences and skills. The PFW Mock Interviews give students the opportunity to practice interviewing and get immediate feedback from Rotarians after the interview. Students come away with increased confidence during interviews, an important component in their job search. Each student will leave with a certificate of completion after being introduced to our club by a Rotarian that interviewed them.

Please email Lisa Latchford at lisa@foxassociatesllc.com if you would like to participate in this meaningful event or join the PFW Committee.

What is Partners for Work (PFW)? It is one of our club's treasured projects and it is a Rotary District 5030 project that creates employment opportunities for people with developmental disabilities by linking Rotarian business leadership and job candidates to find meaningful paid work. Since 2003 Partners for Work has helped create 130 jobs in District 5030 thus far! The University District Rotary Club has helped create three jobs, had Mock Interviews and hired a Greeter for the last ten years. In our district, people can be found working within a variety of occupations

and industries. Employees from Partners for Work are office assistants, warehouse/manufacturing stocking associates, membership/service assistants, and utility/janitorial assistants.

This project focuses on creating new opportunities for people who have traditionally been left out of the job market by having Rotarians become more aware of individual skills and abilities that exist within their own communities.

The project's target population is people who are over 18 years of age who have developmental disabilities and want to work. These individuals have valuable skills to offer the workplace, yet their employment rate is very low (30%) and many cannot meet the established job requirements set by businesses' human resource departments. Rotarians are often the top people in their companies and play a key networking and leadership role in helping open the door towards paid work.

Coming Foodie Events

MARCH

Join us on **March 24th at 5:00** for Sunday Supper at Communion.

The restaurant dishes out a fusion of creative American soul with international flavor (my plan was to list my favorites here, but I'd just be reproducing the menu). There are a number of delicious vegetarian, vegan and gluten free options available.

Get your reservations in by 03/20/2024. *Of course, spouses/significant others are welcome.*

Please make your reservation via email to Asha Iovin (asha.iovin@gmail.com)

See you there!

APRIL

No Foodie event this month—We have this little event known as our Annual Fundraiser 04/25.

MAY

And they're off! My head is ready for my dreadlock-friendly bonnet and my lips await mint juleps and other delights. Pick your horse and join us for lunch and the 150th running of the Kentucky Derby on Saturday May 4 @ 1:30. Lisa Edwards will be hosting. Cuisine theme is American Southern. More info to follow.

JUNE

We'll explore the foods of the South Pacific with host Linda Fukuda. Date/Time to be announced. Grass skirts optional. More info to follow.

Bon Appetit

QFC University Village Mall
2623 NE University Village St, Seattle

Returning Club Member Lawrie Payne *(by Lawrie Payne)*

I was born in Portage la Prairie, Manitoba, Canada in 1942. I moved to Alberta at six and stayed at several locations until I left Canada for a graduate education.

Career:

I graduated from the university of Alberta in 1974 with a BA in Economics and after was employed but Pan American Petroleum (now AMOCO) in the land department. Our job was to negotiate drilling syndicates between ourselves and other oil companies.

I had a thirst for the technical aspects of the business and after 3 years decided to become a Geologist. I attended the University of Miami to pick up sciences I hadn't previously received and then entered Columbia University in New York, graduating with a Masters degree in Marine Geology.

I then started my real career by working as a Geologist for Kerr McGee in Oklahoma City. I loved the work, had a great boss/teacher and managed to discover a large gasfield.

After 2 years I was hired to go back to Canada to work for a small exploration company. After 4 years, I was transferred to London to manage foreign activities and then came back to Calgary to run the company. This was the beginning of my lifetime career with small companies, exploring in several areas of the world. I started my own company and, with several subsequent companies that I started, pursued exploration and production in several areas including Canada, the North Sea and Middle East, living in both Calgary and London (again). Then I retired and moved to Seattle.

Rotary:

I first joined Rotary in about 2014. After looking at several clubs, I chose the University District club because of its size and involvement in both domestic and foreign activities. Then in 2019 I decided to move back to Canada and settled on the Sunshine Coast in British Columbia, near Vancouver, where I selected a home on the Georgia Strait. I joined the Gibsons Rotary club which was small, but I really enjoyed the membership. After four years, I tired of the relative isolation and moved back to Seattle in November of 2023 to be closer to family and friends, most of whom were Rotary members I had met before in the University District club. While I was not very active in specific committees, I participated in local activities and finances. I included a trip to Viet Nam with Son Michael. I also traveled to Ethiopia with Ezra. I was a contributor to funding of the University club and the Rotary Foundation.

Education: University of Alberta. 1961-1964, BA Economics; University of Miami, 1967-1968; Columbia University, New York, 1968-1970, MA Marine Geology

Family:

I have a son Brendan and daughter Suzanne in Vancouver, and a son Larry and daughter Cindy in Seattle, as well as 5 grandkids. I was married twice, the first to Muffy who was the mother of my four children, and to Linda who was my cherished companion later in life. Both I lost to the ultimate master. I have been a bachelor for 18 years.

In conclusion, I have enjoyed the profession that I chose and was lucky to have landed the business, travel and personal opportunities that I did. I have been fortunate to have experienced and loved the relationships I have had. My children have given me so much pleasure and the determination to live and to love them as long as I can.

Notes from March 5 Service Fund Board Meeting *(by Paula Laschober)*

The Service Fund Board voted to change meeting dates from first Tuesday of the month to first Monday. This will allow our President-Elect, Linda Fukuda, to attend, as well as candidates for next year's Board.

Amendments to the Service Fund bylaws were approved by the Board, and will be presented to the members for approval at a future meeting. The amended bylaws were reviewed by an attorney to make sure we were complying with the Washington Nonprofit Corporation Act.

Bill Herkes, Board Treasurer, continues to search for a new accountant for the Service Fund. One candidate will be interviewed March 14. Bill is also researching ways the Service Fund might be able to accept on-site credit card donations.

The following applications for grant funding were approved:

International Service Committee

- I Transform Myself to Transform My World, Colombia: \$19,582.50 (Global grant, includes \$5,883 from 5 D5030 clubs in addition to \$13,699.50 from UDRC).
- Bukobero Community Health Center, Uganda: \$35,406 (\$6,000 from UDRC, the rest from 14 other Rotary Clubs, a D5030 matching grant and private donations)
- Bukobero Community Health Center, Uganda: \$31,169 (\$5,369 from UDRC, the rest from 17 other Rotary Clubs and private donations)
- Greenhouses, Mexico: \$10,000

Community Service Committee

Elizabeth Gregory House, refurbish guest restroom: \$10,000

Share the Warmth:

Kids Without Borders, coats, etc: \$4,500
