## Partners for Work Volunteer Interviewers Needed *(by Lisa Latchford)*

Through **mock interviews** Rotarians can offer an exceptional experience for students with disabilities. As business representatives, we can provide an actual interview exercise where students can share their resume, experiences and skills. The PFW Mock Interviews give students the opportunity to practice interviewing and get immediate feedback from Rotarians after the interview. Students come away with increased confidence during interviews, an important component in their job search.

**Come join our Partners for Work Project  
Mock Interviews with Students with Disabilities  
Friday, April 2, 2021, 10:00 am-12:00 noon, on Zoom**

Please email Lisa Latchford (lisaf98102@yahoo.com) if you would like to participate in this event .

**Partners for Work (PFW)** is one of our club's treasured projects and it is a Rotary District 5030 project that creates employment opportunities for people with developmental disabilities by linking Rotarian business leadership and job candidates to find meaningful paid work. Since 2003 Partners for Work has helped create more than 130 jobs in District 5030! The University District Rotary Club has helped create jobs, had Mock Interviews and hired Greeters for the last 11 years through this program.

In our District, people with disabilities can be found working within a variety of occupations and industries. Employees from Partners for Work are office assistants, warehouse/manufacturing stocking associates, membership/service assistants, and utility/janitorial assistants. This project focuses on creating new opportunities for people who have traditionally been left out of the job market by having Rotarians become more aware of individual skills and abilities that exist within their own communities.

The project's target population is people who are over 18 years of age who have developmental disabilities and want to work. These individuals have valuable skills to offer the workplace, yet their employment rate is very low (30%) and many cannot meet the established job requirements set by business' human resource departments. Rotarians are often the top people in their companies and play a key networking and leadership role in helping open the door towards paid work.

## Your Gifts/Donations to The Rotary Foundation at Work - Rotary Peace Centers

The Rotary Peace Centers program develops professionals or practitioners to become experienced and effective catalysts for peace. The fellowships cover tuition and fees, room and board, round-trip transportation, and all internship and field-study expenses.

## Invitation to Join Rotarian Ad Hoc Social Justice Group *(by Jeff Werthan)*

Every Saturday morning, a group of Rotarians from several different clubs meets virtually to listen to a speaker and ask questions pertaining to various social justice issues. Our group has created a safe space, that allows everyone to speak his/her mind in a non-threatening environment. "Non-threatening" does not always mean comfortable and does often mean challenging. It's an opportunity to listen, learn, comment and play the devils advocate.

Our group is based upon a similar group in Portland, OR, that Sala Sweet has been attending every Saturday. Sala brought Portland to my attention, and I started attending as well. Their large group (usually 35-50 attendees) has been meeting for awhile and they have branched out to work with many Portland area based organizations. They have also broken down their Saturday group into several smaller groups that are able to concentrate on different aspects of social justice.

With Sala in the lead, we started a similar group here in Seattle. Since our first meeting last November 7th, our speakers have included a combination of educators, state representatives and other elected officials, community spokespersons/organizations, corporate spokespersons, and police and police reform advocates. This Saturday our speaker will be Seattle School Superintendent, Denise Juneau, followed by interim Seattle Police Chief, Adrian Diaz, on the 27th and Bellevue Police Chief, Steve Mylett, on April 3rd.

For a lively way to start your Saturday, visit us from 9:00-10:00. If you would like the link, please let me know (jmwdog@gmail.com or 425-802-1028). I can also include you on the Portland link if you would like. Thank you.

## Invitation to Join Duwamish River Cleanup to Celebrate Earth Day *(by Dave Spicer)*

Our Board just unanimously approved a fun Service Day for our Rotarians.

On **Saturday, April 17**, from 10-1 pm. Rotarians are invited to gather and do important clean up and restorative work at the Duwamish River. This will help mark Earth Day that started back in April, 1970. This is the brainstorm of Linda Harris and Linda, Jeff Werthan, Bill Herkes and Dave Spicer all scouted this opportunity out last week. The activity is sponsored by our Environmental Sustainability Committee.

This event will be in collaboration with the Duwamish River Cleanup Coalition and we will be working with them to remove invasive species and plant new trees and shrubbery along the banks of the Duwamish River. This is the location of a Superfund site that is being restored to the point that salmon, Great Blue Herons and other native species are just beginning to return and we can play a role to continue improving the habitat.

All you need to bring are good boots, leather gloves, masks and a water bottle. There will be porta potties on site. Tools will be provided along with the shrubbery and tree saplings we will be planting. We need a few Rotarians who are comfortable being in kayaks as well so we can do some cleanup on the river.

Lunch will be provided at 1 pm.

We are hoping for 15-20 of our Club Rotarians. If you are interested, please contact Dave Spicer (dspicer@davespicerlaw.com or 206-229-7568) for more details as well as the parking location for the gathering. We ask volunteers to arrive by 9:45 am sharp.

### How Our Club's Service Fund Works *(by Paula Laschober, Service Fund Treasurer)*

All donations to our annual fundraiser go to our Club's foundation, the Service Fund. The Service Fund is a 501c3 organization under the rules of the IRS. That means it's exempt from paying income tax, as long as it uses its funds for "exempt" purposes as defined by the IRS. Our Service Fund supports charitable and educational activities, and contributions to it are tax-deductible by donors. At the beginning of each Rotary fiscal year (starting July 1), the new Club President proposes and the Club Board approves a Service Fund budget, which is based on donations and investment earnings from the previous year. That budget includes allocations to certain committees as well as amounts for specific line items.

Examples of specific line items are: Harvest Against Hunger, ROOTS breakfasts, Ronald McDonald House dinners, Dictionaries for public school students, Partners for Work greeter payments, and Scholarships. Scholarships are agreed to by a committee with chair/co-chairs appointed by the Club President, and the other activities are led by individuals appointed by the Club President. Scholarship checks are sent by the Service Fund Treasurer directly to the schools or foundations designated to students by the Scholarship Committee (and approved by the Service Fund Board). Appointed leads (or their designees) for the other line items spend funds up to the allocated amount and ask for reimbursement by submitting a Request for Funding (RFF), along with receipts and signature of the appointed lead, to the Service Fund Treasurer—who then sends a reimbursement check.

All other Club committees, led by a chair/co-chairs appointed by the Club President, receive an allocation in the Service Fund budget but, since the funds are not designated for a specific purpose, the projects they support must go through a 3-step approval process. First, the committee decides what projects it wants to fund. Then, the chair/co-chairs of the committee send an RFF for each project, which one or both have signed, to the Club President, who approves it on behalf of the Club Board (projects may also be reviewed by the Club Board). The Club President then sends the RFF to the Service Fund President, who forwards it to the Service Fund Board members, who must approve the project by majority vote. When all these approvals have been finalized, the Service Fund Treasurer sends a check or wires the approved project funds to the organization designated in the RFF to carry out the project. No project funds may be expended until projects and associated funding are approved.

The committees whose projects must go through the above 3-step approval process are Community Service, International Service, Peacebuilder and Environmental Sustainability. The RFFs for all projects proposed by these committees must be accompanied by the committee's project application form, which must include a detailed budget (usually accompanied by pro forma invoices or other proof to verify costs). Funds for an international project must go to a participating foreign Rotary Club, or to an approved charitable organization in countries where no Rotary clubs exist. U.S. organizations proposed to receive project funds must provide an IRS Form 990 (Return of Organization Exempt from Income Tax) from the previous year, as well as an IRS Letter of Determination (affirming their 501c3 status) to accompany the RFF.

## Service Fund Board Nominees Announced

Ed Sider, Service Fund President, has announced nominees for the Service Fund Board. Changes will be effective July 1, 2021. Nominees for positions which will be vacated as of June 30, 2021 are:

Bill Herkes as Treasurer—to replace Paula Laschober  
 Beverly Fogle as director—to replace VP Jerry Coe  
 Bill and Bev will serve for three-year terms, July 2021 through June 2024.

Bev Fogle

Bill Herkes

Also as of July 1, 2021, Ray Connell, currently a member of the Service Fund Board as President-Elect, will be automatically replaced by 2021-22 Club President-Elect Jeff Werthan. Since Jeff is currently a Director, the Board's first order of business in July will be to elect a club member to the vacant Director seat.

Continuing Board members are: Ed Sider-President, Jane Wiegenstein, Lael Ross and Neale Weaver (through June 2023); Dave Weaver and Richard Cuthbert (through June 2022).

## Virtual Boiling Pot Available for Club Members *(by Kirk Laughlin, Club Treasurer)*

U. District Rotary members - A reminder that a way to support our club during this difficult time — especially if you are enjoying the camaraderie of the weekly online meetings — is with a small token of your financial appreciation. The virtual "Boiling Pot" link is: <http://bit.ly/UDRCboil>.

You can choose an amount of \$5.00 to \$25.00 (there is a \$5.00 minimum since this is a credit card transaction). And you can do so during the meeting or anytime! Thank you for your support.
