Program for April 28

Nick Anderson, CEO Eighth Avenue Advisors

Navigating "Class 5" Rapid Change!

When business conditions feel like whitewater rafting

Somedays it seems like we are floating along safe and secure taking in the scenery...and then we go around a corner to see massive churning waters and before anyone knows it, we've got people overboard grasping for a rope all the while we head into yet another rapid (change).

In this presentation the audience will learn about the most important tool leaders need to deploy in times of rapid change: Communication.

Nick Anderson will share his experiences and lessons learned through times of dramatic change, from mergers, acquisitions, and core system conversions to the unexpected and tragic loss of a loved one. These stories will frame the conversation in this interactive workshop as participants explore the most effective ways to communicate with their teammates, clients, and community.

Nick is the founder of Chosen Leader, a brand that supports the growth and development of leaders everywhere. Anderson's book, *Six-Word Lessons for Middle Managers*, was published in May, 2022. Anderson became an entrepreneur following a 25-year career in financial services and a lifetime full of challenge and experience. As speaker, Nick has presented on topics including leadership, economics, banking & finance and nonprofit governance while also vulnerably sharing his personal story of growth and transformation.

A two-time guest on television's *New Day Northwest*, he has frequently represented the companies he has worked for as well as his own brands in the public arena. Nick specializes in crafting custom keynote messages that inspire and educate – often intertwining his own personal experiences of overcoming tragic loss and personal growth. Nick is a member of the Seattle 4 Rotary Club.

Register for Fundraiser This Friday! (by Jeff Werthan)

By the time this bulletin is published, we will have 3 weeks until the Fundraiser. Remember that if you haven't registered yet, you will be able to do so at this Friday's club meeting.

Tempting Dinners from Around the World: Auction Items for May 17, 2023

Beginnings and Sinful Endings

Treat your family or guests to six delectable appetizers (each appetizer serving 4-8 persons) and a sinful dessert delivered to your door. A mutually agreeable day and time will be arranged with the winning bidder.

Donated by Paula Day Williams Value: \$425.00

Afghan Dinner for 4

Suzanne Griffin will provide an Afghan dinner for four people and deliver it to your home. Delivery within the City of Seattle is arranged at a mutually agreeable date and time. Beverages are not included. Suzanne recommends hosts provide tea and water be served as part of a traditional meal.

Donated by Suzanne Griffin Value: \$350.00

Guatemalan Dinner for 8

Enjoy a typical meal, with music, surrounded by Guatemalan textiles and art. Immerse yourself in Guatemala's unique culture through a short presentation. Menu to include Boquitas (appetizers), drinks, dinner & dessert. The main meal will include Pollo Jocon (chicken in green sauce), Hilachas (shredded beef with potatoes & squash), rice, avocado salad, black beans, platanos fritos. Desserts. The meal will be held on a mutually agreed-upon date and time during the 2023-2024 Rotary year.

Donated by Rosemary Barker Aragon, Ed Sider and Kay Rodriguez Sider Value: \$1,000.00

Taste of Ethiopia Dinner for 10

Join Ezra & Yobi for a traditional Ethiopian dinner at Agelgil Restaurant. The meal includes wine and Ethiopian coffee ceremony. A mutually agreeable date will be set.

Donated by Ezra Teshome Value: \$1,000.00

Jamaican Me Crazy Dinner for 8

Delivered to Your Home From "Down the way where the nights are gay" comes this provocative blending of Caribbean island fare. Tantalize your taste buds with Jerk Chicken, Rice & Peas, Red Beans, Fried Plantains, Jerk Pork, Red Pea Soup, Festival (fried), Exovitch Fish, Rum Punch or Wine and Bread Pudding. You don't even have to go to Kingston Town to get it. Just put in your bid and arrange for it to be delivered straight to your door.! Dinner date and time will be set that is mutually agreeable with host. *Donated by Raymond Connell Value: \$600.00*

Dinner for Eight at Anthony's Restaurant

Enjoy Dinner for Eight at your favorite choice of Anthony's Restaurants. Certificate valued at \$500. Does not include liquor, tax, or gratuity. Valid for one year from the date of issue. An original gift certificate must be presented.

Donated by Anthony's Restaurants Value: \$500.00

New Member Applications Approved by Club Board April 24

Seth Barribeau describes his personal and professional background as:

"Having grown up moving between South Africa, the US, and New Zealand I have always viewed myself as a global citizen. I was fortunate to have been a Rotary Exchange Student to Jakarta Indonesia in 1996-97, and this was a defining experience that further cemented my desire to explore. I went on to study zoology and psychology through graduate school in New Zealand and conducted postdoctoral research at Kyoto University (Japan), Emory University (USA), The ETH Zurich (Switzerland), and The Wissenschafts College Berlin (Germany) before taking faculty positions--first at East Carolina University (University of North Carolina) and then the University of Liverpool (UK). After a move to Seattle for my partner's job in 2021 I have pivoted to working at a biotech startup (Ozette Technologies) where I work as the principal data scientist. There we are building a platform to interrogate immunological data at speed and scale to provide rapid insights into the immune system."

Seth is a graduate of the University of Canterbury, Christchurch, New Zealand, with a B.Sc. Degree in Psychology and Zoology, and a Ph.D. in Zoology. He is a subject editor for *Functional Ecology*, and the *Journal of Insect Science*, as well as an expert reviewer for scientific journals and national and international granting organizations (NSF [USA], BBSRC [UK], NERC [UK], SNSF [CH]). He says his special interests are global health and evolutionary biology. His hobbies are music, photography and travel. In addition to English, he speaks Indonesian, German and Japanese (poorly, by his own admission). He lives in the Phinney Ridge neighborhood of Seattle. His email is Seth.Barribeau@gmail.com and his cell phone is 206-437-5210.

Angelina Jimenez (Angie) is the President and Director of Nursing Services of Day by Day Nursing Services. Her sponsor is Paula Williams.

Angie was born and raised in the Phillippines, where she practiced medicine as a Fellow of Obstetrics and Gynecology. In 2001 she migrated to Seattle, and in 2010 she became a registered nurse. In addition to operating her home care/home health agency, she works at Providence Hospice of Seattle.

Angie earned a B.S. degree in biology from the University of the Phillippines, a Doctor of Medicine degree from Gullas College of Medicine, and an Associate of Nursing degree from Shoreline Community College.

She describes her special interests as healthcare and sports. She enjoys tennis, basketball and swimming. In addition to English, she speaks Tagalog.

She lives in the Magnolia neighborhood of Seattle. Her email is gejim22@yahoo.com and her cell phone is 206-778-4857.

WE NEED CLIPBOARDS FOR THE FUNDRAISER (by Jeff Werthan)

If you have any clipboards lying around your house, please bring them to the club meeting this Friday, April 28. The more we get from you, the less we have to purchase. That means more money for projects. I promise you'll get them back.

University Rotary Service Fund—Report to Members *(by Ed Sider, URSF President)*

The Service Fund Board has been busy recently. We met on April 17 and approved funding for Ronald McDonald House suppers, a communications system for Ventures entrepreneurial training for low-income start-ups, University Heights kitchen renovations, a Bukobera, Uganda, sanitation system, kitchen renovations for Elizabeth Gregory Home, greenhouses for needy Mexican families, continued support for Partners for Work and remediation on the banks of the Duwamish River. On April 22, an impressive number of our members helped with the labor of the remediation. Our members are amazing in their efforts and generosity serving our community and the world.

The Board also reviewed and approved a proposed Gift Acceptance Policy developed by Committee Chair Lisa Edwards, and members Marisa Broggel and Brian Turnbull. This policy defines types of gifts and bequests, and the terms of agreement between donor and the Service Fund.

This is only the first of continuing reports on the activities of the Service Fund Board.

District 5030 Festival of Learning *(by Wendy Fischer, District Trainer)*

The entire month of May is dedicated to Rotary learning! Open to all Rotarians, with some classes targeted to specific Rotary roles. Learn about club flexibility, how your club can use social media, how our district is taking on malaria, and how we are

helping bees. If you are new to Rotary there is a session for you, and if you are taking on a specific club role there is a session to assist you. Every Tuesday, Wednesday and Thursday, at either 5:00pm or 6:30pm via Zoom. All sessions are 45-60 minutes. Click on the session title for more information and to register: [FOL 2023 Full Schedule.pdf](#)

Report of Contributions by UDRC Members to The Rotary Foundation *(by Son Michael Pham)*

Contributions to Annual Fund – previous year	\$33,358
Contributions to Annual Fund per member	\$351
Total contributions to TRF – previous year	\$35,880
Members contributing to TRF	78

Contributions to Annual Fund – current year	\$28,815 (through April 22, 2023)
Contributions to Annual Fund per member	\$277
Total contributions to TRF – current year	\$66,537 (through April 22, 2023)

To reach 100% participation in this current Rotary year, which will end on June 30, 2023, **53** of our members need to make their annual contributions to TRF within the next two months. Here is how you can make your donation:

- Contact Son Michael Pham by email or phone. You can provide your credit card information to make your donation.
- Mail a check payable to The Rotary Foundation to Son Michael Pham, PO Box 24, Bellevue, WA 98009.
- Log in to My Rotary and make your donation online. If you have not set up an account, you will need your Rotary International Member number. You can call/email Son Michael to obtain your member ID number.
- Call the Rotary Support Center toll free 1+866-976-8279 or email rotarysupportcenter@rotary.org for help with setting up your online account or to make your donation by phone.
- Note that you can set up online to make monthly or quarterly 'recurring donations' using your credit card.
- You will receive a receipt for your donation from TRF by mail or email.

Paul Harris Fellows Honored at April 21 Meeting *(by Son Michael Pham)*

At our club meeting on April 21, Son Michael Pham, our Foundation Chair, presented Paul Harris Fellow awards to nine club members: Doug Frick PHF+1, Jim Rechten PHF+1, Ray Connell PHF+4, - Sabah Al Haddad PHF+4, Beverly Fogle PHF+6, Judy Lovelace PHF+8, Marilee Fuller PHF+8, Karon Fenton Nealy PHF+8; and our newest PHF member, Rick Jones. Each PHF award represents a donation of \$1,000 to The Rotary Foundation.

Below is a summary of what The Rotary Foundation did last year with donations of Rotarians from all over the world:

OUR FOUNDATION

The Rotary Foundation raised more than **\$434 MILLION** in 2021-22 to support programs that spur positive, lasting change, including:

1,199

GLOBAL GRANTS

(\$73 million in program awards) to support large-scale projects, scholarships, and vocational training teams

478

DISTRICT GRANTS

(\$27 million in program awards) to support short-term service projects that address community needs and fund scholarships, youth programs, and vocational training teams

207

DISASTER RESPONSE GRANTS

(\$8 million in program awards) to support immediate response, short-term assistance, and long-term rebuilding following disasters

33

PolioPlus grants awarded (\$149.1 million in total funding) to UNICEF, the World Health Organization, and other agencies to support global polio eradication efforts, immunization campaigns, and virus transmission monitoring in countries where polio is endemic.

130

Rotary Peace Fellows selected to study at Rotary Peace Centers around the world to become catalysts for peace and development

11

PolioPlus Partners grants awarded (\$1.4 million in total funding) to support urgent, member-led social mobilization projects, such as National Immunization Days and surveillance activities in high-priority countries

The Rotary Foundation makes it possible for our members and participants to serve their communities, become peacebuilders, and protect the world against polio.

UDRC Rotarians Celebrate Earth Day *(by Dave Spicer, Chair, Environmental Sustainability Committee)*

On Saturday, April 22, 16 of our Rotary Club members celebrated Earth Day by participating in a service project on the Duwamish River.

Rosemary Aragon wrestles ivy

We came together to work with the Duwamish River Community Coalition and several youth from the area. We removed invasive species and planted a variety of tree saplings and shrubbery along the banks of the river. Rotarians really know how to work. We did this at Taltalucid Park in South Seattle.

Liz Causby-Miles collects debris

We also heard the history of the area from George Blomberg, of the Port of Seattle. He shared about the amazing cleanup efforts that have happened as part of a Superfund effort to restore habitat and bird and marine life. In fact, we all could see an osprey nest high up on a post in the river. George told us that the osprey migrate from South America and travel thousands of miles to the Duwamish, just as they have for millenia. The wonderful news is that they have done testing of the tissue of these osprey in recent years and discovered zero toxicity, even though they eat salmon in the river. So the restoration efforts are having a huge success in bringing life back to the Duwamish.

Club members, family and friends participating in the event included President Jeff, Brian Turnbull, Linda Harris, Marilee Fuller and her granddaughter, Sally Porter Smith, Bill Herkes, Lisa Latchford, Kay Rodriguez, Ed Sider, Rosemary Aragon, Jim Rechten, Seth Barribeau, Levi Orem, Liz Causby-Miles, Ellen Ferguson, Terry Cicero and her grandson, and Marti Spicer and myself. Seth and Levi are both prospective members of our Club!

Carmen Martinez, with our club workers, shows off our Rotary check

Terry Cicero & grandson Zack

Special thanks for organizing goes to Carmen Martinez with the Duwamish River Community Coalition. She did a great job organizing the event, arranging for purchase of plants and trees, getting tools together, getting the porta potty (very important) and providing coffee, treats and a wonderful lunch. Thank you so much Carmen!

Finally, our Rotary Club provided a generous donation of \$1,500 to Carmen to help with the costs of the trees and shrubbery, and President Jeff presented the check in a small ceremony. Thanks to all who participated!

Earth Day goes back to April 22, 1970 when millions of people around the world demonstrated for protecting our planet and taking action to fight pollution. See this article which provides an excellent story of the first Earth Day: <https://www.earthday.org/history/>.

Bill Herkes tackles weeds

UROCK Foodies April Event

(by Paula Williams)

This month, UROCK Foodie palates are going to the Balkans—Bosnia and Herzegovina, Albania, Greece, Bulgaria, Romania, Hungary, Croatia, Kosovo, Montenegro, North Macedonia, Serbia, Slovenia, and Western Turkey. Unfortunately, not all of us had Eastern European grandmas in the kitchen. So, for those of us Babicka-challenged, here are a few resources.

<https://balkanlunchbox.com/> this site has a full range of recipes—from appetizers to desserts.

<https://www.chefspencil.com/30-balkan-dishes-to-die-for/> lots of yummy-looking choices here, as well!

<https://www.196flavors.com/most-popular-balkan-recipes/> hey—stop drooling into your phone!

And, since UROCK Foodies is less about cooking and more about camaraderie, here are a couple of restaurants from which you can do pick-up:

<https://byrekandbaguette.org> their selections look incredible.

<https://lolaseattle.com> I was stuffed just watching the photos on their website.

<https://bistroturkuazseattle.com> More deliciousness.

And I can't wait to see what Linda—our mixologist—comes up with!

Our April event is being hosted by

Jeff Werthan

Saturday April 29th at 6:00 PM.

As usual, please email me as soon as possible to make your reservation. This allows us to balance out the meal and to give our host an opportunity to prepare.

Also, we are looking for volunteers to host our future events. If you'd like to volunteer your home, please let us know. Basically, all you have to do is smile and tell us where to put things. We bring all the supplies (plates, utensils, napkins, etc). We set up and we clean up. For those living in condos, your social rooms are perfect! So, give it some thought, please.

And we want your ideas. If there's an activity you'd like to see—cooking classes, technique demonstrations, restaurant get-togethers, events, etc—please let us know. Let me know what floats your culinary boat.

Send us your thoughts at pdaywms@gmail.com (Paula W) or lisa@foxassociatesllc.com (Lisa L)

Live long and bon appetit!

Rotarians Invited to Celebrate New UHeights Elevator *(from Maureen Ewing)*

It's time to celebrate

Our elevator project is finally complete, and we're excited to showcase the improved accessibility it brings to our community. Join us for Celebrate University Heights Center Reaching New Heights!

May 10, 2023 at 4:30 PM

Please respond by May 1. We hope you're able to join us!

Register: [Celebrate University Heights Center Reaching New Heights! Tickets, Wed, May 10, 2023 at 4:30 PM | Eventbrite](#)

Our club contributed \$9,000 to the elevator project, through a Community Service Committee grant in 2020.

Volunteer Interviewers Needed May 5

Debbie Moore, our district's Partners for Work coordinator, is planning two Mock Interview Sessions (9:30- 11:30am and 11:30am - 1:30pm) for the students of the Northshore School District Adult Transition Program.

We are looking for District 5030 Rotarian volunteers to interview the students on Friday, May 5, 2023 on the Cascadia College Campus, in Mobius Hall.

Through mock interviews, Rotarians can offer an exceptional experience for Transition students. As business representatives, we can provide an actual interview exercise where students can share their resume, experiences and skills. Rotarians provide students feedback on their marketable skills, dependable strengths and assess their interview technique. This information is invaluable to students and their teachers as they develop their career portfolios in preparation of exiting the school system.

If you are available on Friday, May 5th, for one or both sessions, please click on [District 5030 Rotarians: ATP Mock Interviews \(signupgenius.com\)](#), review the available slots and click on the button to sign up. Dress code is business casual.

Join us for this professional development/mentoring event. Thank you for your consideration and hope to see you there!

Rotarians Donate Blood *(by Brenda Dimond)*

On April 24, Brenda and Richard Dimond and Doug Frick donated blood at Bloodworks Northwest—a D5030 project.

International Service Committee Deadline for 2023-24 Project Applications—May 1, 2023

At its February 28 meeting, the ISC changed its normal process for receiving new project applications from **late October to May 1**. The purpose of this change is to allow all projects, even those whose sponsors plan to ask for District or Global matching grants, to be considered at the same time. Proposals must be submitted electronically to Chair Sheila Hosner. The application can be found at our club website: [Rotary Club of University District, Seattle \(udrotary.org\)](https://www.rotary.org/en/club-of-university-district-seattle), under Club Links, Documents.

The deadline for District 5030 matching grants is always in mid-September, whereas our ISC's normal deadline for receipt of applications has been the end of October. This has meant that projects looking for District matching funding have to be considered and approved before most applications are even due.

With the May 1 deadline, preliminary decisions on grant awards will be made in June 2023 and final decisions will be made when the Service Fund budget for 2023-24 is approved, after June 30, 2023.

Continuing past criteria, projects must be sustainable. Likewise, in order to be eligible to propose a project, sponsors must have donated to both our club's Service Fund and The Rotary Foundation of Rotary International in the 2022-23 Rotary year (July 1, 2022-June 30, 2023), and must meet the ISC's reporting requirements for previously funded projects.

This year, the ISC has funded the following projects:

- Morocco: women's coop to plant trees and learn organic farming (\$6,600)
- Mexico (two projects): family greenhouses (\$2,960) and pediatric cancer treatment equipment (\$2,150)
- Ghana: training for community health workers in prevention and treatment of malaria and other diseases (\$10,000 contingent on signed MOU with government of Ghana by March 31)
- Senegal: village water, nutrition and economic development (\$3,000 contribution to Bellevue Rotary project, contingent on full funding commitments by April 30)
- Vietnam: equipment for human milk bank (\$3,500)
- Chile: English language lab for public elementary school (\$25,000 project, \$1,248 from our club, contributions from other D5030 clubs, received District 5030 matching grant); plus books in English for school library (\$1,565 project, \$100 from our club)
- Uganda: sanitation for medical clinic (\$30,000 project, \$10,050 from our club, other D5030 club contributions, received District 5030 matching grant)

Mexico: harvesting tomatoes from family greenhouse

Uganda community members making bricks for clinic

- Democratic Republic of the Congo: village agricultural development-training, supplies, seeds (\$5,000)
- Guatemala: ventilated cooking stoves (\$1,000 contribution to Ballard Rotary project, District matching grant) and potable water (\$2,100 contribution to Manchester/Lake Forest Park Rotary project, Global Grant)

Apr 29 6:00 pm. Rotary Foodies at Jeff Werthan's house. Please RSVP to Paula Williams, pdaywms@gmail.com.

May 1 Deadline for submission of International Service projects to ISC Chair Sheila Hosner, breadpudding@aol.com. This deadline is for proposals for the next Rotary year, i.e., 2023-24. Application can be found at our club website [Rotary Club of University District, Seattle \(udrotary.org\)](https://www.udrotary.org), under Club Links, Documents.

May 3 Registration closes for Benefit Fundraiser and Dinner.

May 4 6:30-7:30 pm. Fundraiser Committee meeting, Zoom. Contact Lisa Edwards, lisasimoneedwards@outlook.com

May 5 9:30-1:30. Mock job interviews for students of Northshore School District Adult Transition Program. Sign up at [District 5030 Rotarians: ATP Mock Interviews \(signupgenius.com\)](https://signupgenius.com).

May 10 4:30 pm. Join UHeights, 5031 University Way NE, for elevator celebration, to which our club contributed. Click: [Celebrate University Heights Center Reaching New Heights! Tickets, Wed, May 10, 2023 at 4:30 PM | Eventbrite](https://www.eventbrite.com/e/celebrate-university-heights-center-reaching-new-heights-tickets-704444444444)

May 12 Induction of two new club members: Seth Barribeau and Angelina Jimenez.

May 16 5:00-7:00 pm. UDRC Happy Hour at Ivar's Salmon House, 401 NE Northlake Way, Seattle.

May 17 UDRC Benefit Fundraiser and Dinner, Seattle Yacht Club. 5:00-6:00 Happy Hour. 6:00-8:00 dinner and auction. Tickets \$130 each, or \$1,000 for a table for 10. Registration closes May 3.

May 19 9:00-10:00 am. Membership Committee meeting on Zoom. Contact Lisa Latchford, lisa@foxassociatesllc.com.

May 20-21 University District Street Fair. See additional information in the article below.

events and overall member engagement.
Come join us. We meet monthly for one hour on zoom.

May 5:	Start of boating season
May 26:	Memorial Day weekend
June 16:	Juneteenth
July 7:	Fourth of July weekend

UDRC will be working in a support capacity assisting the UDP and BoldHat

Please consider which part(s) of which day(s) will be best for your personal volunteering schedule. More info to follow! Questions? Call Rick Jones at 206.284.1888 for more info.

The Foundation of the Rotary Club of the University District is called “University Rotary Service Fund.” It is a charitable organization with a 501(c)(3) tax-exempt status. The Service Fund’s EIN, or tax ID, is 91-1123239.
