### Program for April 5

**Elena Stowell**

***English for All***

Recently retired from 30+ years of public education, Elena can now focus on her gamut of passions and escapades.

She became an author, illustrator, and Brazilian jiu-jitsu black belt as she navigated a journey through grief. Her memoir, *Flowing With the Go*, was translated into Portuguese in 2012, and she traveled to Brazil and began working with marginalized communities and *projetos sociais* (social projects). Her current project is growing and maintaining English classes in Rio's north zone, so children there have access to career opportunities outside the *favelas*.

Elena was the Interact advisor at Kentwood High school for 10 years and became a Rotarian in 2018. She is a Paul Harris Fellow, and the International Service Chairperson and President-Elect for Covington Rotary Club.

*Thank you!*

## Candidates for Service Fund Board Announced *(by Paula Laschober, Service Fund Board President)*

At the April 5 club meeting, members will be invited to elect new Service Fund Board members and officers. Service Fund Board members normally serve three-year terms, so every year some members leave and new ones join the Board. This year we thank VP Bev Fogle and Treasurer Bill Herkes for their service.

The nominating committee, composed of past URSF presidents Lael Ross and Gary Corbett, as well as current president Paula Laschober, has nominated the following candidates for Board positions, to serve July 1, 2024-June 30, 2027: Hugh Brannon as a general board member and Brandon Fleming as Treasurer. Marella Alejandrino, elected last year, is the nominated candidate for Vice President.

The Service Fund Board is composed of 10 members. The current members are Paula Laschober

*Brandon Fleming*

*Hugh Brannon*

*Marella Alejandrino*

(President), Bev Fogle (VP), Jane Weigenstein (Secretary), Bill Herkes (Treasurer), Marisa Broggel, Joe Whitford, Marella Alejandrino, Paula Williams, Linda Fukuda and Lael Ross.

The Board meets monthly to provide approval for community and international service grant applications and budgeted line items, make investment

decisions, and consider other matters related to the club's charitable service work.

The Service Fund and the Club are separate entities but have the same members.

## Rotarians Conduct Mock Interviews *(by Lisa Latchford)*

*George Mauer, Marisa Broggel and Wendy Reilly interview a student.*

*Interviewee with Sala Sweet and Carol Butler.*

On March 22, several members of our club provided mock interviews for three students with disabilities: Andrea, Lillie and Faith.

This is part of our club's commitment to Partners for Work. Through mock job interviews Rotarians offer an exceptional experience for students by providing an interview exercise where students can share their resume,

experiences and skills. The PFW Mock Interviews give students the opportunity to practice interviewing and get immediate feedback from Rotarians after the interview. Students come away with increased confidence during interviews, an important component in their job search. Each student leaves with a certificate of completion after being introduced to our club by a Rotarian interviewer.

*A student is interviewed by Lisa Latchford, Dale Hicklin, and Dave Spicer.*

## Update of the University Rotary Service Fund Bylaws *(by Jane Wiegenstein)*

### Background

An update to Bylaws governing the University Rotary Service Fund was inaugurated in July of 2023. The existing Bylaws dated from 2017, so a thorough review made sense, particularly in view of further policy development over the six year period and of the passage in 2022 of an update to the Washington law governing non-profit corporations. A committee of three Service Board members (Lael Ross, Lisa Edwards and Jane Wiegenstein) produced an initial draft based on their own review and input from others on the Service Board, which was reviewed with the entire Service Board in September. At that time it was suggested that a lawyer with the requisite expertise in the Washington Non-Profit Corporation Act of 2022 review the draft and clarify one or two questions that had been raised. Marisa Broggel identified a lawyer (Alicia Levy) who completed the legal review in late January 2024. Once changes were incorporated, the Service Board voted at their March meeting to submit the draft Revised and Amended Bylaws to the entirety of the University District Rotary Club membership for approval.

### Summary of Key Changes

Many of the changes updated the Bylaws to reflect actual practice, provided clarification or more specificity, or were purely editorial in nature. Substantive changes are listed below.

Article / Section	Change
IV / 2	The president of the UDRC was made a voting member of the board (this is in addition to the president-elect),
V / 6-9	Additional standing committees were added to the Nominating Committee, i.e., the Investment Committee, the Gift Acceptance Committee, and the Bylaws Committee.
IX / 1-7	Article IX (Gifts) was re-written to reflect the Gift Acceptance Policy that was implemented in spring 2023. The revised Article IX is much more condensed because the detail is now contained in the much more comprehensive Gift Acceptance Policy (GAP). Lisa Edwards (who was on the GAP committee) produced a cross-walk showing where content removed from Article IX was covered in the GAP. Article IX now refers to the GAP and where it can be found.

Service Fund members (same as club members) will vote on the proposed amended bylaws at the April 5 lunch meeting.

The current and revised bylaws are attached to the message transmitting this bulletin.

### Request from Reese Reddemann *(UDRC Public Image Intern)*

I need content for promotion of the club. At any event, please take vertical videos (while holding your phone upright).

I have found that iPhones work best but I can work with video from Android phones as well. Short videos of people talking, working together and smiling/laughing and actually doing something (for example: Ushering at the Husky Game, making sandwiches, assembling hygiene kits, and clearing invasive plants) will help me tremendously. Pictures are also great but 10-15 second short videos have more impact.

Please send them to me at [reese.reddemann@gmail.com](mailto:reese.reddemann@gmail.com). Thank you!

## What's Cooking in the World of Community Service *(by Rick Jones)*

### UDRC Gets Noticed and Thanked!

The following blurb appeared in the U District Partnership monthly newsletter on March 26. It was written by Don Blakeney, the Executive Director of the UDP.

### ***U District Rotary Club Awards Nearly \$100K In Community Grants Since January 2023***

*U District rotarians are over 100+ volunteers strong and have supported a variety of important community projects over the past 14 months. One of the recent investments was in improved cleaning equipment to help the U District Partnership more efficiently address litter, fall leaves and snow removal. The U District Rotary Club has also invested in facilities and equipment for UHeights, the Ronald McDonald House, Solid Ground, and the Elisabeth Gregory Home. Other community investments include: lighting/placemaking grants in the U District, and Christmas gifts for at-risk youth through the University Family YMCA. The U District Rotary Club was founded in 1939 to meet unmet community and world needs by combining the diverse talents and skills of the community to be positive agents for change.*

Our first monthly outing to pack and distribute lunches at the **UDistrict YMCA** was a success. We worked efficiently and effectively as a group and gave good community while distributing the food. **This event comes around the 3<sup>rd</sup> Sunday of each month and will happen next on April 21<sup>st</sup>!** If you've not signed up as a YMCA volunteer, please click **this link** and make it happen! <https://seattleymca.volunteermatters.org/register>

**The Seattle Playgarden's** Annual "Play, Grow and Learn" Luncheon takes place on April 30 at the Four Seasons Hotel, in downtown Seattle. Lunch is free but there will be an "ask." Reach out to Rick Jones at [threepointoh@comcast.net](mailto:threepointoh@comcast.net) for registration details. Flyer on next page.

**The U District Street Fair** is May 18 and 19. Once again, the UDRC will staff and operate the 2 information booths on The Ave both Saturday and Sunday. This will be our 3<sup>rd</sup> year in that role, and it's been both fun and impactful for the neighborhood. Details to follow! We'll need about 12 volunteers to cover all the open shifts so address your calendars now!

### **UW Huskies Football!**

Coming up at the end of August is this

UDRC tradition harkening back more than 20 years. It's fun, football-y, and raises money for the Club! This year the Huskies play 7 home games, stretching from August 31 to November 16. Now is a great time to look at the game calendar and plan which weekends you can serve. <https://gohuskies.com/sports/football/schedule/2024>
