## Cascade Choirs Crescendo Fundraiser Campaign

Dr. Tracey L. Edou, Superintendent of Cascade School District, and also one of our Leavenworth Rotary Club members would like to share the following information:

Hello Cascade Choir Students and Families - We are so excited to share the good news that in collaboration with the Cascade PTSA, Band and Choir Boosters, and the Cascade School District, we have a vision for how to ensure that there is a choir program for the 2024-25 school year and beyond. It is called the Cascade Choir Crescendo Campaign and its goal is to raise \$65,000 for the 2024-25 choir program.

Raising \$65,000 may sound like a lot, but we are confident that we can meet this goal if we work together. Especially because up to \$20,000 will be matched by a community donor! The campaign has been live for just over 24 hours and we are already \$2,700 closer to our goal!

The Crescendo Campaign is a group effort. Within the campaign you get to create your own fundraiser as an individual or a team to support the effort. Check out the campaign here: <https://tinyurl.com/CrescendoCampaign>. From the main campaign page, you decide what your personal or team fundraising target is (what amount of money you want to raise for the Crescendo Campaign), and then enter your email address and name. The platform will help you create your own fundraising page and lead you through how to send out donation requests to family and friends near and far. With our \$20,000 matching grant, if you raise \$200 for the Crescendo Campaign, your \$200 will become \$400 once we receive the match! Amazing, right?

You can keep it simple and just send out donation requests, or you can get creative and use your love of music and performance to help you in your fundraiser! Here are some ideas to get you started:

• offer singing telegrams that you record on your phone and email or text to your friends and family in exchange for their donation.

• Make a plan with a local business or establishment to show up with your choir friends and sing a set of tunes for tourists coming through the shop or restaurant.

• Hold a benefit concert at your family's home or in a park and raise funds through attendance at the event.

Our goal is to raise \$20,000 by June 30 to obtain the match. If we can make it all the way to the \$65,000 target by June 30, even better. Thank you in advance for joining us in this journey. We know that together we are far more powerful than any one individual.

Let us know how we can help you make your fundraising a success,
