Our two Youth Exchange Outbound students this year are Luciella (Sully) Fischer and Nevada Allen. On August 14 Gary Schuster and I brought the students to a Rotary meeting with the Wenatchee Confluence Club, who is co-sponsoring them for the 2024-2025 year. Sully is going to Taiwan, and Nevada is going to Belgium. We accepted a check for youth exchange expenses from Brian Brennan, club president.

News From Co-President Kiffen

Hello Rotary family,

There is an old saying, "Change with the times or die on the vine." That might sound a bit morbid, but think about it, things are always changing, and it is true about Rotary as well. As situations both globally and here at home grow and change, we must find ways to change as well. All of Rotary's basic 7 areas of service and the needs within them are changing and Rotary has had to evolve with how we try to help and meet these changes with the new emerging difficulties that they bring.

Attending RLI, or Rotary Leadership Institute, is one of the ways to learn of the changes and help make our club be more informed so that we can better meet the needs and demands of the times. We need informed leaders if we are going to be the dynamic club that can help the most.

I got to attend the RLI leadership classes when I first joined Rotary and the information I received there, really helped me understand Rotary, how it functions and gave me a better picture of how I could get involved and be a part of this global community that can make a difference in our world. I am going again this year because I truly believe that as we learn and grow, we can make a difference.

I really encourage you all to register for this meaningful experience and see how you can make a difference. Isn't that why we all joined? We aren't just a lunch club, we are informed, educated people with the innate desire to help others both here at home and around the world.

Here is the link for you to register for RLI. The event is filling up fast, so register soon!
