# Leavenworth Rotary

Thank you to so many of our members who volunteered in the community the last couple of weeks. Leavenworth Rotary members contributed many hours of their time to the **Highway Cleanup**, spreading gravel at the **Rattlesnake Trail** project, maintaining and planting at the **Leavenworth Rotary Pollinator Garden**, painting over graffiti on the Enchantment Park sign, and helping park buses at the **Autumn Leaf Festival**.

*Thank you for all you do to represent us well  
throughout the community!*

## Pollinator Garden Updates

**Deb Schnellman** is heading up the effort to maintain and add new plants to our Leavenworth Rotary Pollinator Gardens. The garden across from Gustav's has been weeded and cleaned up, the sprinkler system adjusted, the Rotary sign added, and the planting of new plants has begun.

Thank you to Mountain Meadows who donated many plants, and to Deb and Jim Schnellman, John Fishburne, and friend, who planted the donations. Such a lovely garden now!

## Program this Week

**Hiep Nguyen**, pickleball expert and aficionado, will be our speaker this week. He will be explaining the popularity and rules of the game, and the interest in expanding this sport within our own community.

## Thank You to our Speakers Last Week

Thank you to **James Munly** from Evergreen Mountain Bike Alliance and General Manager of the Leavenworth Winter Sports club, **Teresa Disher**, Director of Operations from Cascade School District, and **Tracey Edou** for presenting us all with the progress of the Rattlesnake Hill Trail project.

## News From Co-President Kiffen

Hello Rotarian family,

Wow, there has been a LOT going on this week, RLI on Sat. morning, The parade on Sat. afternoon, it's that time of year. Getting ready for weather change that is just around the corner, picking and putting away fruit or gardens for winter! yes there is a lot going on!

But I want to take a moment to thank the people that dug in and helped in some way, sometime this last busy week. ANYONE that has done something this week or month, please stand up in the meeting and tell us about it, let us know what we missed out on. Take pride in the fact that you were involved in some way.

That caused me to think, what are we doing individually that makes us want to be a part of this club? Ask yourself, am I actively involved on a committee? Or am I helping my committee come up with ways to be involved in helping others and in being a dynamic club that others want to be involved in?

What is Rotary to me personally? What do I want out of Rotary?

At the beginning of this Rotary year, I asked what does "Rinô" mean in Rotary?

"Rotary In Name Only".ouch, ask yourself! am I one of those? We need everyone to be actively involved if we are going to be the dynamic "get'r done" club that makes a difference in our community and in the world! and that excites others to want to be a part of this group that makes a difference. So, be the one that fires up your group, or committee that you are in. Get together and brainstorm, come up with ideas of what you, or all of us can do to make a difference in our community and the world. We CAN and DO make a difference that others will see and want to be involved in. We together can do this.

"He profits most who serves best"
