September Student of the Month

???????Last week we celebrated Cody Salmon, our September Student of the Month.

Cody was chosen in recognition of his trait of Motivation. Cody has volunteered to step into the role of class treasurer, a position that was previously vacant. His involvement in school and community is reflected in his extra-curricular pursuits that include Trap Shooting, Track, Football, Interact Club, ASB Class Treasurer, and Co-treasurer of SportsMed Club, and more.

Cody's family joined him in celebrating this achievement at our meeting last Friday. Pictured above are Kiffen Fishburne, and Jill, Cody, Evan, and Scott Salmon.

Congratulations!

News From Co-President Kiffen

Hello Rotarian family,

I have gotten to observe our Interact young people in the school, whether baking cookies for Mt. Meadows or how they set up and run the blood drive and have observed their enthusiasm in their meetings. They take their own ideas and are motivated to do them by doing things like drawing positive slogans on the sidewalk that one can see as they enter the school building. What a great idea that it was to encourage each other. I am reminded that positive results come from thinking of ideas then taking action to accomplish them.

There is sooo much distraction and negativity in our world today, it is so refreshing to see the students' positive attitudes and their ideas to help encourage others. That's the " Magic of Rotary", our motto for this year.

Our Rotary Club provides our members with many varied opportunities to serve and encourage others in our community. These are just a few of the things we have had the opportunity to do this week.

- Planting flowers and pulling weeds in our Pollinator gardens.
- We picked up and delivered outdated medical materials to be shipped to third-world countries.
- Working with our community to refresh and restore our historical cemetery.
- Come out to help greet and talk to our community at the Community Engagement night at the Fest Hall about Rotary and what we do.

And that was just this week. As we all work together each week, we can do great things.

Just by attending our regularly meetings, we honor each other's Birthdays and accomplishments, and we grow together in a common bond. By attending committee meetings we share ideas and work together to accomplish goals.

So, thank you, to all of you that work to help our club do both small and big things that help support our community and the world.

In what ways will you demonstrate ideas and enthusiasm as Rotarians this week?

Co Pres. Kiffen Fishburne

“He profits most who serves best”
