

## Around the World in 22 days

Friday, July 19, 2024

Our speaker today was Jeff Barrom, who talked about the National Geographic World Heritage Tour he and his wife took in May. Jeff is a retired insurance agent and agency owner, and a 3rd generation WSU Cougar. He is also a 25 year Rotarian, a TRF Major Donor, and served as Area 11 Assistant Governor in 2005-2008.

Jeff highlighted the around-the-world tour which took them to Heritage sites including Machu Piccu (Peru), Costa Rica, Ester Island, temples in Cambodia, Nepal, Taj Mahal (India), and Petra (Jordan). The grueling schedule was made doable with a private jet (first class) and chefs preparing great food along the way. We will try to include his powerpoint slideshow in the near future.

Dan Feil was honored by his former Rotary club (East Wenatchee) for all his service to their club over the past 42 years, especially his work on the Pike Minnow Derby. EW members Michael Machado and Karin Kristjanson were there to give Dan an appreciation gift.

Rebecca announced that the next glass collection will be September 14, and she will get details of the drop-off point later, but start saving you glass bottles.

### Braggs and Confessions

Chris' cousin got married so they enjoyed the family reunion. Mansour turned 82, and donated \$82 to our McDarment Fund. Jay is back after cancer treatments, and also announced his marriage on June 20. Congrats! Rebecca gave the treasurer \$20 received as our share of the last glass recycling day in Chelan.

Bill's raffle ticket was drawn, but he didn't pick the right marble. The pot goes to over \$310 next week.

**Our program next week will feature our Challenge Scholar program**, and one of the students who graduated from high school and will receive one of the \$10,000 scholarships.
