Visiting Rotarians falling in Love with Nakusp

Sunday, June 15, 2025

It all started with Jim's (left in the photo) email to Kees one day. Four Rotarians from Idaho and Wyoming were planning to drive up to Calgary for the International Convention. Could they come to visit us in Nakusp on their way? It turned out that Jim and Kees were governor-classmates back in 2016-17.

On June 11, Jim, Carla, Barbara, and Don arrived at the Nakusp Municipal Campground in their campers, and our club welcomed them with a BBQ and potluck dinner at Kees and Mayumi's backyard. It was also Andreea's birthday, which we celebrated with a birthday song and beautiful chocolate cake.

The following day, the visitors had a chance to see our club projects around the town. They were quite impressed with our accomplishments, and presented us with a \$100 cash donation!
