## ShelterBox Presentation by Ally Buck

Wednesday, January 8, 2025

Our eyes were glued to the TV monitor during Ally Buck's ShelterBox online presentation at our Jan 7 meeting. It really showed how much our club has invested in the program for the past several years.

We are now discussing increasing the amount of our donation to \$1200 from \$500, which would allow the organization to purchase an entire ShelterBox kit on our behalf.

The idea for ShelterBox started in 2000 in the UK. One day, Tom Henderson, a Rotarian and a former Royal Navy Search and Rescue Diver, was watching a television broadcast about disaster relief. That led him and his Rotary club (as small as our Nakusp club) to create a disaster relief kit for a family that could be easily deployed globally.

ShelterBox has warehouses around the world in countries such as Belgium, UAE, Philippines, Ghana and Panama to store aid and shelter items.
