It's always better to work in pairs. Check with Mike Roberts (509)539-8571 mike@statebanknw.com to sign up for this vital community service.

Upcoming Meetings

NOVEMBER 10: We're meeting at the high school cafeteria (this time for real), and the program will be musical selections from some of the cast of this year's play, "Oliver!" \$4.75 per person. Please pay Bob for your meal and he will write one check to the school.

NOVEMBER 17: (Yes, one week later) we will host our District Governor, Linda Bauer, who will of course be the featured speaker. The board will meet with Linda the evening before for dinner.

NOVEMBER 24: No meeting. Enjoy the turkey and football!

DECEMBER 8: Annual Christmas auction. Raid your mattress for \$100 bills and bring a wrapped gift!

DECEMBER 22: No meeting – too close to Christmas.

JANUARY 12: Big Al has scheduled one Jill McKinney, a Palousite, to tell about her adventures spending six months in Antarctica. Should be fascinating.

Weekly Club Program

Jon Kehne introduced Cody Allen, new executive director of Whitman County Library. Cody shared with us his varied and itinerant life. After getting a degree in philosophy at Whitworth, he went on to University of Colorado for a Master's. He found his way to the Big Apple and got a part-time job in a library. He discovered his calling and moved up the chain of command quickly, then journeyed on out to Billings to work in the library, at the same time earning a Master's degree in library science. This past summer, he was brought on board as librarian-in-chief right here in River City. This brings him back close to his Lewiston roots. In the short time he has been here, he landed a \$500K (yes, 5 with 5 zeroes!) grant from the state of Washington to enhance

and expand the library's offerings. He plans to provide classes in the schools on the many benefits of the library, ratchet up game nights, trivia contests, etc. On November 17 an Abraham Lincoln impersonator will be on hand. The annual Christmas tree decorating contest will be back on the menu. Every library in the system will have a minimum of three computers and free WiFi, with laptops available for check-out. Big things happening!

JANUARY 12: Allen Kirkpatrick

FEBRUARY 9: Ed McBride

FEBRUARY 23: Ian McMichael

My husband and I often spell words so that our small children won't understand what we're saying. I didn't realize what a habit this had become until one day when my husband and I were in the grocery store at the soup aisle.

An aggressive young woman banged into our cart, then nudged me over, blocking my access to the soup. Annoyed, I looked at my husband and said, "Boy is she r-u-d-e!"

"Yeah," he replied, "but I'll bet she can s-p-e-l-l."

Offerings had been down the past several Sundays and the preacher decided he had to do something to change the trend. The next Sunday, as the plate was being passed, he said, "Brothers and Sisters, I don't like to have to do this, but there is a man in the congregation who is having an affair with another parishioner's wife, and if there is not at least five dollars in the collection, I will reveal his name."

Later, as he counted the money he found 20 five dollar bills, and a two dollar bill with a note that read, "Forever hold your peace, I'll have that other three dollars before sundown!"
