HUMOR AND OTHER USEFUL INFO

THESE, FRIENDS, ARE COURTESY OF OUR GOOD FRIEND CARL, WHOM WE MISS GREATLY. NEVER THE LESS, HE IS STILL VERY MUCH A PART OF US.

A friend of mine told me about the book club she joined.
It's called, "Read between the wines."

"How is your Aunt Bobbie?" asked a family friend.

"She had her appendix taken out the other day," I informed her.

"Did they give her anything for it?"

"No," I answered, "it wasn't worth anything."

My brother just broke the record by downing 22 Russian jets in Ukraine...
He'll forever be remembered as the worst mechanic in the Russian Air Force!

Lead me not to temptation...

For I can find it for myself!

The beautiful woman at the bar wasn't ready for the answer I gave her when she asked,
"What do you and I have in common?"

"They're both vowels," I replied.

Someone just called my phone, sneezed and then hung up.

I'm getting sick and tired of these cold calls.
