LOOKING FOR A PROGRAM?

Greetings Rotary Club, My name is Pat Estes and I'm with Aging & Long Term Care of Eastern WA (ALTCEW). My role within the agency is to provide information to employers, employees, and community groups about the WA Cares program that Washington workers began paying into in July of 2023. I have a 15-minute PowerPoint presentation I would like to share with your club. It is very informative and concludes with about 15 minutes of questions and answers. My contact information is below, or you can reply to this email to schedule an available date to speak with your club. I look forward to hearing from you and presenting during one of your meetings. HUMOR AND OTHER USEFUL INFO

The Arnolds feign death until the Wagners, sensing awkwardness, are compelled to leave.

"Well, there it goes again. ... And we just sit here without opposable thumbs."

"OK, ma'am, you said you warned your husband to put the newspaper down or you'd blow him away. ... Did he respond?"
