

## THIS WEEK'S NEWS

### LISTEN UP, CHILDREN!

#### Do you have your Food Worker's Card?

**Did you know that at least one person at every function where food is being served must have one?**

That means that when we are running the funnel cake booth at the Fair, at least one of the 2 or 3 folks on hand must have that card with them and be prepared to show it to a county or state health official.

I'm not sure what the consequences are, but I'm guessing it could mean immediate shutdown until a person with the card is on site. Or, possibly a total closing of the booth for the duration of the Fair. Either way, not a good outcome.

#### WHAT CAN YOU DO ABOUT IT?

### GET YOUR FOOD WORKER'S CARD!

#### HOW DO YOU DO THAT?

1. **Google Whitman County Health Dept.;**
2. **Click on Food Handler Permit or License or Exam...any of them take you to the same site;**
3. **Click on Food Worker Card and just follow the instructions;**
4. **Give yourself some time: it takes a good half-hour. You watch the video then take the test;**
5. **The cost is ten bucks for two years;**
6. **Pay with your credit card, then print off the card and receipt.**

Yours truly just did the "class" and took the test, and if I can pass it then you can, too! I are now a certified, bona-fide, registered, 100% official Food Handler! Don't you want to be one, too?
