

Next Year's Leadership Team!

By Sarah Lynn Groves on Thursday, March 21, 2024

(editor's note: we had a rocky start to preparing for the next Rotary year, so we're trying something out-of-the-box! Instead of one President, you're getting a Presidential Coalition made of of Past and Future Presidents! It will be interesting to see how this works!)

Thank you all for stepping up to be a part of next year's Leadership Team! I think it's going to be great! I didn't take full notes today, but below is a calendar that shows our POM (President of the Month) and then a list of our leadership roles that people signed up for today. Some are small helper roles but I figured it's good to have a list to refer back to. We have a few ?? to sort still, but we made a lot of progress today!

Grow Your Own Row

Volunteer opportunity on **March 26th from 10-12 at Northeast Washington Hunger Coalition, 347 West Second Street, Suite G, Colville.** Kyla and Stephani are requesting help to package envelopes of seeds for their Grow-Your-Own-Row program. In partnership with Snap-Ed (Supplemental Nutrition Assistance Program Education) NEW Hunger Coalition launched this program in the spring of 2023 that helps food pantry clients learn to grow their own food. It was such a success last year that it's being repeated. This is a fun opportunity to meet the cool women that feed our hungry neighbors and are teaching them valuable skills. ***If you do plan to attend, please send Stephani a text at (509) 690-2460 so she can prepare the space for us.*** I know I'll be there!
