

It's Time to Get Your Food Worker's Card

With the elephant ear booth just around the corner, it's time to get your food worker's card. If you already have one, please check the expiration date. It is not a requirement for everyone who works to have a card, but it is so easy to get online, and it is better for us to always have extra workers with a card. You can apply or renew online at: <https://www.foodworkercard.wa.gov/>

John Goldsbury Awards

At its May 28th meeting, the Pasco-Kennewick Rotary Club proudly presented the prestigious John Goldsbury Award to two outstanding local law enforcement officers: Sergeant Jon Davis of the Pasco Police Department and Officer Joshua Sullivan of the Kennewick Police Department.

Named in honor of long-time Rotarian, community benefactor, and Tri-Citizen of the Year John Goldsbury, the award recognizes exceptional officers who exemplify the highest standards of modern policing and embody the Rotary motto of "Service Above Self."

Each recipient receives a \$500 personal award and an additional \$500 to donate to a charity of their choice.

Sergeant Jon Davis selected The Wounded Blue, a national nonprofit that provides support and assistance to injured and disabled law enforcement officers across the country.

Officer Joshua Sullivan chose the Columbia Basin Veterans Center, whose mission is to support local veterans in accessing the benefits they have earned through their service to our nation.

The Pasco-Kennewick Rotary Club congratulates these two dedicated officers and thanks them for their continued service to the community.

Supervisor roles for the EEB need to be filled ASAP. Please consider signing up for a supervisor shift (or two!)
