Distinguished Guests In The House!

At this week's meeting, we were honored to host Assistant District Governor Stan Johnson, and District Membership Chair Todd Shepard. Todd shared information on DACdb, and some exciting updates on companion clubs. It is always a pleasure to have visiting Rotarians and District representatives share with us.

EEB Supervisors Needed!

We would like to fill all of the supervisor positions for the Elephant Ear Booth so that we can schedule a Supervisor Training Session. Please consider signing up for a Supervisor spot as well as one or two of the other available positions. Scan the code below to sign up!

Bring A Guest to a Meeting or Social!
