

## It's Duck Race Time!

Stay tuned for details. Julie Olsen will be reaching out soon with your tickets!

## Rotarians At Work

PK Rotarians Rob DiPiazza and Frank Grunenfelder volunteered at the Journey of Hope Cycling Event. As a thank you, we were presented with a T-Shirt from the event. *Thank you for giving back to our community!*

## Pet Overpopulation Prevention

Amanda LaRiveria from Pet Overpopulation Prevention joined us to share the impactful work her organization is doing to reduce the burden of pet overpopulation by preventing unwanted litters. POPP offers essential services like spay and neuter, microchipping, and vaccinations at a low cost. Volunteer opportunities are always available, and our very own Rob DiPiazza can often be seen there walking dogs. Contact POPP if you would like to get involved.
