Together We Connect!

Message from the President

Hello Rotarians,

Welcome to a new Rotary year! I am honored to begin my second term as President of the Rotary Club of Pullman. This year's theme is "The Magic of Rotary." Rotary International President Stephanie Urchick has perfectly articulated how the magic of Rotary isn't in waving a wand but in our dedication to service, our innovative projects, and the cooperative connections we build.

Our club has a long history of making a difference in Pullman. Over the past 75+ years, we have been a cornerstone of community service and fellowship. Through support of youth programs, community enhancement projects, and various other local initiatives, we've consistently worked to improve our community for the better. As we move forward, let's approach this year with optimism and a renewed commitment to service. Together, we can continue to create a positive impact in Pullman, Whitman County, and beyond.

In Rotary Service,
Eric Hollenbeck
President, Rotary Club of Pullman
