Club Business

- **Pres Gin** advised everyone that our next meeting will take place at the Rec Centre
- **Pres Gin** informed everyone that David Butt from the Creston Rotary Club is looking for someone to ride share with him to the Spring Assembly on April 29th. He will be leaving at 7:00am and returning the same day. If anyone is interested, contact David.
- All of our Rotary items must be removed from the Legion by the end of today.
- **Jason Truscott** advised everyone that we will be meeting at Blue Point on Saturday, May 13th for a work bee and outing. The gathering will start at 11:00am. We will need a log splitter – bring gloves and work cloths. It will be a bring your own food and drink. Spouses/partners are welcome.
- **Gary Teed** advised that the road cleanup will take place this Saturday at 9:00am. Everyone is to meet on the highway at the turnout by the Ramada.
- **Casey Messinger** advised that the Creston Quilts for Kids are looking for funding.
- **Bill Pfeifer** advised that the Block Party may not happen this year (most likely will not happen). The company that usually cuts and bucks the logs is short of workers and cannot do it.
- **Pres Gin** informed us that there is a program for club secretaries, treasurers, current presidents, past presidents, president elects on April 18 @ 6 pm. It is recommended that all Rotarians in those positions join the meeting. We need to know what our insurance covers and what additionally may be needed for our club.

Program – Continuation of our Membership Project

- **Scott Veith** separated everyone into groups to discuss and strategize about membership.
- **Scott** provided a sheet of possible new member occupations to help us in determining who would be potential new members.
- The groups put together a list of possible new members. This is to be provided to **Pres. Gin**
- The groups discussed different items in regards to membership. Here are some comments:
- We used to have more socials, we should have more again involving our significant others as well
- Some members (or potential members) are concerned about the cost
- Membership is about: Finding, recruiting, orientating, and retaining new members
- Not all members are good at each of the above. We should setup committees of members to do the different parts.
- Remember: WIFM – What's in it for me.

Next Week – Business Meeting at the Rec Centre

- * Women over 50 don't have babies because they would put them down and forget where they left them.
- * A friend of mine confused her Valium with her birth control pills.. she has 14 kids but doesn't really care.
- * One of life's mysteries is how a 2-pound box of chocolates can make a woman gain 5 lbs.
- * My mind not only wanders, it sometimes leaves completely.
- * The best way to forget your troubles is to wear tight shoes.
- * The nice part about living in a small town is that when you don't know what you are doing, someone else does.
- * The older you get, the tougher it is to lose weight because by then, your body and your fat are really good friends.
- * Just when I was getting used to yesterday, along came today.
- * Sometimes I think I understand everything, and then I regain consciousness.
- * I gave up jogging for my health when my thighs kept rubbing together and setting fire to my knicker's.
- * Amazing! You hang something in your closet for a while and it shrinks 2 sizes!
- * Skinny people irritate me! Especially when they say things like...'You know sometimes I forget to eat!'Now I've forgotten my address, my mother's maiden name and my keys, but I have never forgotten to eat. You have to be a special kind of stupid to forget to eat!
- * The trouble with some women is that they get all excited about nothing and then they marry him.
- * I read this article that said the typical symptoms of stress are eating too much, impulse buying, and driving too fast. Are they kidding? That's my idea of a perfect day!
