Scottish Tour Fast Approaches

By Gordon Malcolm on Monday, July 24, 2023

On September 10th 15 people, including Rotarians and spouses from the Castlegar Sunrise Rotary Club, will begin a 4 day/5 night tour of Scottish Distilleries to taste some of the finest Scotch ever made.

The one thing that the Rotarians have in common is a love for fine Scotch and quality cigars. We generally meet during the summer where we enjoy sampling all kinds of whisky from around the world while we enjoy a meal and good fellowship together.

The trip has taken just over a year to organize but we are all really looking forward to what will be a great experience. We finish the evening with a night in the Scottish Whisky Society, sampling some of their fine whiskies and having a final meal with each other before going our separate ways. Look out for pictures to follow.

Young traveling Rotarians ~ an opportunity!

Tuesday, July 11, 2023

Hello Rotarians! My name is Eryn Batie. I am a 23 year old Rotarian from Loveland, Colorado and I am on a mission!

It has been my ambition for several years now to utilize my planned gap year (fall of 2022 through fall of 2023) as a service and learning opportunity. I am hoping, as a young Rotarian, to partner with Rotarians and Rotary Clubs around the United States and the world to create a unique traveling volunteer experience. As I travel, I am focused on finding organizations to serve and ways to give back to the community.
