## Thought for the day:

- "Goodness and hard work are rewarded with respect. - Luther Campbell"

## Laugh of the day:

Janice, my sister, had been pestering her husband, a carpenter, for more than a decade to build a screen door for the kitchen.

One day, to her delight, he built and installed one in less than two hours. It was both practical and pretty. She glanced towards the front door and wistfully remarked that one would look good there, as well.

"Are you kidding?" he gasped. "You can't just whip these things up, you know. It takes ten years to build a door like this."

## RYLA Camp Castlegar 2023

By Gordon Malcolm on Saturday, August 5, 2023

July 2023 RYLA Camp at Selkirk College Castlegar BC. For those that don't know, RYLA stands for Rotary Youth Leadership Awards. Every year, clubs sponsor a young Interact Rotarian to go to these camps to learn about leading. They are generally lots of fun but also where they learn lots about themselves too. This year we sent Emily Pierce her story is below. I have also included a link to the RYLA website here:

## Young traveling Rotarians ~ an opportunity!

Tuesday, July 11, 2023

Hello Rotarians! My name is Evyn Batie. I am a 23 year old Rotarian from Loveland, Colorado and I am on a mission!

It has been my ambition for several years now to utilize my planned gap year (fall of 2022 through fall of 2023) as a service and learning opportunity. I am hoping, as a young Rotarian, to partner with Rotarians and Rotary Clubs around the United States and the world to create a unique traveling volunteer experience. As I travel, I am focused on finding organizations to serve and ways to give back to the community.

It is my hope that this gap year will allow me to learn more about Rotary around the country and the world and will make me a better leader and stronger Rotarian for my own community.
