Last week we had a great Day hosting the WACANID Ride. there were 130 riders who all loved our luncheon at Millenium Park. There were many Rotarian volunteers involved as well as a number of non-Rotarians who offered to help out since we had a number of members in Scotland on a Scotch tasting tour. Unfortunately, I still have not learned enough to enter photos into this publication. There is always more to learn.

## District Fall Foundation Assembly

By Doreen Kelsey

The District is offering an opportunity to learn more about The Rotary Foundation - how you can use it to your club's advantage, how to promote it, how to write a grant, see what others are doing, and have fun sharing with other Rotarians.

Choose either the Spokane Valley location, or beautiful Creston, B.C.

This is an opportunity to get grant qualified, and to have your questions answered.

This is the agenda so you can see what to sign up for! We are very pleased to welcome LeAnn Mobley as our keynote speaker for both days. LeAnn is a passionate Rotarian. If you have been to PETS where she's been a training leader. For district 5110 she has been Training Coordinator, Foundation Fund Development Chair, Grants Chair, and Rotary Leadership Institute instructor. She has been a faculty member, training incoming district governors. She has served as Assistant Regional Rotary Foundation Coordinator for Zone 27 for 4 years and is currently the Zones 26 and 27 Global and Disaster Grants Specialist. There's more, too! Come and meet LeAnn and learn from this amazing woman about The Rotary Foundation.

LeAnn gets the Rotary Foundation, and is coming to our Fall Foundation to help all of us 'get it' too!

## WACANID Days 1 & 2

By Lynn Theresa O'Connor on Wednesday, September 13, 2023

Have you heard of WACANID? It's a six day cycling ride that the International Selkirk Loop (<https://selkirkloop.org/>) hosts: WASHINGTON, CANADA, and IDAHO (wacanid.org), all within our District's boundaries! So it's logical that Rotary clubs along the route provide support for the riders. Well, the riders took off yesterday from Sandpoint, who hosted a fun and informative gathering Sunday night: then onto Colville after 100 miles or so and a mountain pass. Newport-Priest River hosted safe and nutritious passage. Day two has them leaving Colville and riding some gorgeous Eastern Washington scenery and riding to Rossland. The Kettle Falls club gave them a wonderful taco bar lunch.

The supporting clubs use this event as fundraisers, and the efforts are quite fruitful.

They still have days and days to go!

All of this great press is generating interest for next years' ride!
