Events

POINTS TO NOTE:

Rotary on the Rocks:

A number of us met from both clubs for drinks and conversation a week past last Friday. This will continue on the last Friday of each month. It was a really good event where you get a chance just to chat. All are welcome.

Tonight:

Our Interact club are presenting to the City Councilors tonight at the Community Forum. The practice was excellent and they have made some improvements to it based on the advice received. **Please come and support them** if you are able. They would really appreciate it.
