Presidents Dinner

Time to book your seat, the deadline for booking and paying is looming. A menu is attached to this bulletin. Payment is so easy by CC. (yes we have finally sorted this out)

Bulletin I am looking for someone who can spend 30 minutes each week putting the bulletins together. Sometimes it does not even take that long. It is super easy and with some training I can have you up and running soon. I cannot do it while I am president.

Quote for this week:

Roy T. Bennett

"Accept yourself, love yourself, and keep moving forward. If you want to fly, you have to give up what weighs you down."

Confluence Centre

Back at the end of November, Castlegar Sunrise Rotary Club had the privilege of a tour of the new Confluence Centre as it was then. We are very proud to have been involved in this project by donating \$45,000.

Back then it looked impressive, with local products being used to build it. Inside was a work place but even then you could see the wood finish in the structure. Beautiful as it was back then, the finished project is even more beautiful, and is going to be a huge asset to our city. Whichever direction you enter the city from the highway, this building is going to stand out, and will be a place our visitors will love to visit. Thank you to all who were involved in the dreaming, production, constructing and donating to the build of this fabulous place.

Revealing Rotary's Endless Opportunities: Insights from Barry Rassin, TRF Trustee Chair

(written by By Rtn Tony Cama, submitted by District Governor Doreen)

In the dynamic world of Rotary, the sentiment echoed by Barry Rassin, Rotary Foundation Trustee Chair, resonates deeply: "We all know that in Rotary, great opportunities are always around the corner." This profound statement captures the essence of Rotary's spirit—a commitment to

service, fellowship, and the relentless pursuit of opportunities to make a positive impact in communities worldwide.
