How is the Website Organized? 1st Edition

Since our transition to DACdb in 2021, much work has been done on developing an informative and comprehensive website. This is a work in progress, and we are continually looking for ways to make improvements so our District Rotarians and visitors can be informed on WHY we are Rotarians, WHAT we do, and HOW we do

it.

Celebrating 90 years of Waterton-Glacier International Peace Park

By Maria Kliavkoff on Thursday, July 28, 2022

The Waterton Glacier International Peace Park is the first transboundary peace park in the world, envisioned by Rotarians from Canada and the USA and approved by both governments in 1932. After two years of the Peace Park gatherings being held virtually, Great Falls Montana Rotarians can offer an in-person event and celebration of the 90th year of the Waterton-Glacier Peace Park Assembly. The 2022 events begin on September 16 and conclude with the traditional Hands Across the Border Ceremony on Sunday, September 18.
