**Our meeting this week: Club Assembly @ Joe Brown's Cafe.**

By Jerry Lee Rhodes on Wednesday, January 4, 2023

Our meeting this week is a Club Assembly. We'll be talking about how far we've come in 2022-23, and where we have yet to go.

Our meeting is at a new location for us, in downtown Vancouver. Joe Brown's Cafe is not very far from Blue Door Cafe, at [817 Main Street](#). You can read more about it (and peruse the menu!) at [their website](#).

*Hello!*

I hope you had a joyous holiday and a festive start to the new year. We are kicking January off with an exciting Club Assembly. Bonnie and the Bleu Door staff are taking a much deserved vacation this week, so we will join each other for breakfast at Joe Brown's Cafe on Main Street.

This is a good meeting for a guest invite as we will go over what we've accomplished so far, what we are currently working on, and what the future looks like for our Club. It will give your guest/prospective member an overview of what is important to our Club. This is also an important one for you, as a Club member, to attend, so that you are in the loop and so that your voice is heard.

I look forward to seeing you this week! :)

## Rotarians prepare for 2023 Uganda trip

Wednesday, January 4, 2023

*This message is from Larry Rhodes, who is about to embark with other Rotarians for Uganda, where they will be working with Ugandan Rotarians and the Rural Health Team, which we support:*

Happy New Year everyone! We are now preparing to go to Uganda later this month for at least a week with the Rural Health Team. Here are our big remaining needs for the upcoming trip: (1) Reading and Distance glasses, and dark glasses for cataract patients (\$800 will cover 2,000 people), and (2) medicine funds for the three Rural Health Team clinics. We usually have \$4,000 in this fund, but this year we were unable to secure the grant. Any amount, earmarked for medicine, will be important for helping to address malaria and other needs currently being faced in Tororo district.

Pictures are from the team about five years ago. Glasses are obtained for about 40 cents each from non-profit RESTORING VISION. The Rural Health Team also collaborates with St. Benedictine Eye Hospital for diagnosis and follow-up treatment of significant eye problems such as cataract surgery.
