President's Corner

By Alison Johnston on Wednesday, March 6, 2024

Hello!

I am using my corner of the newsletter this week to highlight The Rotary Foundation. Many of you are well aware of the Rotary Foundation and how it works. Consider this a refresher. If you are not as familiar as to how The Rotary Foundation works, here is a brief overview.

The Rotary Foundation transforms your gifts into service projects that change lives close to home and around the world. By giving to the Annual Fund-SHARE, you make these life-changing projects possible so that, together, we can keep Doing Good in the World. Donations to the Annual Fund-Share are invested for 3 years. The growth supports Foundation operations. The contributions are then shared between the World Fund and District Designated Funds. World Fund Programs include Polio Plus Rotary Peace Centers and other areas of focus. The District Designated Funds go back to clubs in the form of District Grants and Global Grants. Our club has received District Matching Grants several times, including two grants this year; one for the Dolly Parton Imagination Library and one for the Meal Packaging Event that is coming up.

Rotary has made giving easy and if you are interested in giving at any level, here are a couple of ways to do it easily. Online Giving: Visit <https://my.rotary.org/en/donate> to make a one-time or recurring gift online to the Annual Fund-SHARE

Rotary Direct: Support our work year round by making a recurring gift. You decide how much and how often you want to give. Set it up and forget it. It is a simple and secure way to make an impact.

Visit <https://my.rotary.org/en/rotary-direct> to make a recurring gift to the Annual Fund-SHARE

Thank you for your support of the Rotary Foundation and in turn, support of our club's projects.
