Wednesday, May 31, 2023

This week, we'll be meeting at the Bleu Door Bakery, 2411 Main Street, at 7 a.m. Friday, June 2. Our program is on the topic of Autism Awareness.

Many people have questions about this disorder. Here are a few we found online:

- What are the Autism Spectrum Disorders?
- What is the prognosis of children with Autism?
- What are some of the common myths about autism?
- Are there risk factors for Autism?
- How do doctors diagnose children with Autism?
- Are there therapies or dietary interventions useful in treating Autism?
- What health care services are available for my child?
- How do I choose the best special education program for my child?
- What are some tips for parenting kids with autism?
- What are some causes of behavioral change in autistic children?

Please join us and learn more about this condition. If you can't join us in person, please be with us on Zoom:

## President's Corner

By Katherine H. Morris on Wednesday, May 31, 2023

G'day mates!

Alison and I are currently at the gate waiting to board our first flight home. By the time you read this, we will have already spent Wednesday traveling. Twice! Time travel is real!

We will both be at this Friday's meeting, but don't expect us to tell you too much about our trip because we're saving that for the June 9th program. I will tell you that we had a fabulous time together and we're excited for the upcoming Rotary year.

Hooroo!

*Katherine*

## May: Rotary's Youth Service Month

*"The power of youth is the common wealth for the entire world. The faces of young people are the faces of our past, our present and our future. No segment in the society can match with the power, idealism, enthusiasm and courage of the young people."*

—Kailash Satyarthi
