Our meeting this week: Red Sweater Project

Wednesday, September 4, 2024

This week, we'll be hearing about the Red Sweater Project in East Africa, which our foundation has supported.

After a couple of weeks away, we'll be back to the [Bleu Door Bakery, 2411 Main Street](#), at 7 a.m. Friday, September 5.

If you can't be with us in person, please join on Zoom: <https://us02web.zoom.us/j/83268428716?pwd=L1JKVFU0Y3YzY1Y4bDFzeTV0MXRvdz09>

- Meeting ID: 832-6842-8716
- Passcode: 180320

Here is a little bit of information about the Red Sweater Project, from their website:

“A school uniform can be transformational to a child who dreams of the opportunities an education can bring. It symbolizes their enthusiasm to learn and their unlimited potential. Wonder Woman has her cape. Zorro has his mask. Because of Red Sweater Project, kids in rural East Africa not only have bright new school uniforms—they have a brand new school where they can learn and thrive.”

“For these students, putting on a red sweater means access to a high-quality high school education at Mungere School, established by Red Sweater Project. Beyond the opportunity to learn, the school gives children the means to move their entire community forward.”

Hello!

Hello Vancouver Sunrise Rotary Members,

I had a firm reminder that Covid and all of its mutant offspring are still very much with us. I tested positive on Sunday and am going to observe the isolation protocol that the medics at Kaiser advised. As I grumbled a bit about "the rules," I was reminded by a salty advisory nurse on the phone that I was the one who got sick and the protocol is the best practice for the current strain impacting Clark County, if I happened to want to get well fastest. Over the past several days I have become aware of the growing number of Clark County folks who have been sickened by this round of the virus. Vaccinations, awareness of current Covid levels, and the tried-and-true use of masks and isolation when necessary, all are good to remember. Stay well and I will attend this Friday via Zoom.

The weeks following Labor Day are the busiest weeks of the year for a lot of people. Before the end-of-year holidays (seemingly beginning with Halloween) and with enough work time in September and October to possibly make some of the goals optimistically set in January, it is a good season to get "er done.

This week's meeting will feature our friends from The Red Sweater Project, one of the agencies that we are proud to support.

See you on Zoom!

September is Rotary Basic Education and Literacy Month

"Reading and writing, like everything else, improve with practice. And, of course, if there are no young readers and writers, there will shortly be no older ones. Literacy will be dead, and democracy which many believe goes hand in hand with it will be dead as well."
