Today's Program The Mac Market

In 2016, Diana Riggs and Todd Severson uprooted their life in Seattle to live on the road in an old Airstream camper. The mission was adventure but the ultimate goal was to find a new hometown to settle in for the long run. After exploring much of the west, they kept coming back to McMinnville. They fell in love with the beauty, location, and most of all community. As a spirited entrepreneur, Diana is always looking for opportunities to create and cultivate gathering. Upon her first tour of the historic Huberd Shoe Grease building, she was struck by all the possibilities the space could offer. With the help of the city, local business owners, and the community, Mac Market a place to taste was born.

After 40+ years on the road, the Airstream will retire permanently at Mac Market to become the new cocktail bar.

THOUGHT FOR THE DAY: If there are no ups and downs in your life, it means that you're dead! Anonymous
