SERVE TO CHANGE LIVES

Lal Bhatia is the Lake Oswego Rotary Vocational Services Committee Chairman. He discussed how when Rotary started, they only allowed one member from each vocation. Over time that has changed to open to as many within a vocation. The Vocational Service calls every Rotarian to – aspire to high ethical standards in their occupation, recognize the worthiness of all useful occupations and contribute their vocational talents to the problems and needs of society. Rotarians have the dual responsibility of representing their vocation within the club and exemplifying the ideals of Rotary within the workplace. Lal has a very distinguished career as an Electrical Engineer and Marketing. He has a Degree in Engineering and Business. He joined Rotary in 1989 in India and as been very active in our Lake Oswego Rotary Club. Thanks Lal!
