2. Thursday is a little busy in the area due to the concert in the park. Dine-In or Take-Out any day this week.
3. Consider asking a Rotarian to join you for dinner. Maybe you haven't visited in awhile or there is someone you would like to get to know better.
4. Manzana is the Spanish word for Apple.

Sergeants:

Peter
Terri

Sergeants - Terri Childress discussed how the Sergeants goal is to generate \$10,000 in good natured fines which are used as a fundraiser. She discussed how they can be paid online under the "Donation" tab with a drop down of "Sergeants".

Several of those she noted on fines were Dan Myer and Sid Dorn for inadvertently not silencing their phones, The Wednesday Golf Group, and several others. Sue Linnerooth had a brag about her son who is joining the FBI, Michael Fraser's Grandson, Max, just signed letter of intent to play baseball at Washington State University, Peter and Cindi Glazier celebrated 29 years of marriage along with the Roger and Lynn Hennigan's 55-year Anniversary and Bill Korach and his wife of 35 years.

Jim Boyle – District Governor was introduced by Terry Hatfield, Assistant District Governor. Jim has been District Governor since July of 2021. He is a member of the West Linn Rotary Club and is married to Nancy Boyle. They have one son and grandchildren. He has sponsored over 32 members to join Rotary. When Jim met with our Lake Oswego President, David Wolfe, they discussed vision. Jim discussed how Vocation was most important to him when he started his business journey out of college. He gave us insight into his nickname of “Flipper” for cooking hamburgers, handling money, accounting and finance, family life, marriage and raising a child. As he climbed the corporate ladder through mergers and acquisitions, he eventually came to Portland to help turnaround a company in the red. He discussed how you have to embrace change. Several years ago, he left a company based upon his belief in ethics and integrity. He has created a Real Estate Investment company and his goal is to give back to the community. He helped build many of the homes in 1st Edition in Lake Oswego.

Jim guides himself on the following:

- Give back
- Develop meaningful relationships
- Be a servant leader.
