Lloyd Hill

## Featured Rotarian: Lloyd Hill

Lloyd is a successful architect whose practice is based in West Linn. He and wife Kim have three children. Lloyd grew up in Oregon, but left to study architecture at Cornell and the Harvard Graduate School of Design. After several years working with architectural firms in Boston and San Francisco, Lloyd returned to Oregon and opened Hill Architects. He is grateful to Mark Waller for introducing him to Rotary; for 2019-20 Lloyd will be chairing our International Service Committee.

## Today's Program: Lobster Feed!

David Wolf exhorted us to bring in more items for both the silent and oral auctions. In particular, we are seeking experiences such as gourmet dinners for groups of friends.

We still have about 50 hats for sale. Tickets for the Lobster Feed are getting scarce, according to Andrew, so get yours now! May 24 is the deadline for putting an ad in the Lobster Feed program, so if you're wanting to advertise your firm, act now! Don't forget to contribute two bottles of wine for the wine wall!

**Brian Bice**, Current Chair of our Youth Services Committee, gave us a rundown on all the projects for which this committee is responsible:

- The World Affairs Seminar
- The Youth Exchange Program
- The SASEE Awards
- 4-Way Test Essay, Speech and Video Contests
- Scholarships for High School Students
- Rotary Youth Leadership Award Program (RYLA)
- Distributing Dictionaries to all Third-Graders

As you can see, this is one of the busiest committees in our Club! But all these projects bring opportunities to students in our community, and Club Members who participate in them find great rewards.
