Vancouver Rotary Response to Turkey Earthquake Disaster

By Wendy M. Kelley on Monday, February 13, 2023

Greetings Fellow Rotarians,

As you know, last week, Turkey experienced their deadliest earthquake in almost a century. Already 36,970 deaths and 94,770 injuries have been reported. Up to 23 million people have been negatively affected by this event. Given the freezing temperatures in this region, the impact on those who lost their homes is even greater. It will take years for the region to economically recover, and many families will be forever scarred by the loss of loved ones. Our collective thoughts and prayers are with the people of Turkey as we mourn with them during this evolving tragedy.

The Vancouver Rotary Club will be contributing to the Rotary International effort through ShelterBox. Here are some ways you can help as well if you're interested:

1. You can **donate to the [Vancouver Rotary Foundation](#)** (click on the "Foundation Donation" button) **between now and Wednesday, February 22nd** and the Foundation will include your contribution in addition to their planned donation to the ShelterBox effort. Please note "**Turkey aid**" in your donation notes. You can also **Venmo: @VancouverRotary-Foundation** (Note: Turkey Aid). *Note that contributions for Turkey are in addition to the annual \$150 to the Vancouver Rotary Foundation's general Fund.*
1. You can also donate to "**Bridge to Türkiye Fund**". Bahar from our club has worked with this group and 100% of donations with BTF is used for their relief fund. Their website also includes a daily update of the types of relief and aid they are providing.

Thank you in advance for your consideration of supporting these efforts.
