FOR REMOTE ACCESS

Remote access via Zoom is now available for our Monday meetings. The link is below. We are making it available on a trial basis at no charge. If we continue to offer the service, there will be a fee for using it in the future.

Please note that remote access is not intended as a regular alternative to attending Rotary in-person. If you cannot attend in-person, you are welcome to use Zoom. If we find that remote access adversely affects meeting attendance, we may have to reconsider its use (the club is required by contract to pay for a minimum number of lunches, regardless of attendance).
