## The 2022 Rotary Peace Fellowship application is now available

By Wendy M. Kelley on Monday, February 22, 2021

The **2022 Rotary Peace Fellowship application** is now available, and we need your help finding the next group of global peace and development leaders. Our club members have professional and social contacts and can find potential candidates. We can also support the program by coaching candidates through the application process and connecting them to districts that can endorse their applications, a required step in the application process.

These resources are available to help our members recruit candidates for 2022 Rotary Peace Fellowships:

- Take the All About the Rotary Peace Fellowships course to learn about qualification requirements, eligibility restrictions, the application process, and more.
- Obtain the fellowship announcement from the Rotary Peace Center and send to your contacts.
- Use the referral form available from the Rotary Peace Centers to tell them about potential candidates, and the Peace Center will follow up with them.

Candidates have until **May 15** to submit applications to their districts. Districts have until **July 1** to submit endorsed applications to The Rotary Foundation.

Send any questions about the fellowship program to [rotarypeacecenters@rotary.org](mailto:rotarypeacecenters@rotary.org). You can also contact our member Bob Williams for more information.

Thank you for your dedication to the Rotary Peace Centers.

Great news Club Members. We can now sign up for club meeting tasks with an online task list. No more clipboard being passed from table to table. This will be especially great for our online meetings.
