Treasurer

Rand Rietmann
Membership Chair

Harold M. Darcey
Rotary Foundation
Chair

Curtiss Owen Davis
Assistant Governor

Birthdays

Francis A. Reilly
October 5th
James R. Barnes

Meetings and Events

October 4 (tomorrow) -- Program: John Herman, Lazy Z Ranch

In 2020, John and Renee Herman came to the original and iconic Lazy Z Ranch with hopes of modeling regenerative agriculture, cultivating sustainable community, and amplifying local businesses. Their main focus is on raising regenerative bee pastures to help the environment. John is a community-minded educator, meadmaker/brewer from Northern California.

October 18 -- Program: Fr. Sibi Poulouse from St. Edward the Martyr in Sisters

Speaking about living conditions in India (i.e. helping the poor and destitute).

November 1 -- Program: Steve Woodside

Steve possesses more than 30 years of off-shore experience in Asia, Europe, and the Americas working on soft and hard goods. He has worked for Nike and Columbia dedicated to work with supply chain, sourcing/manufacturing and/or corporate operations.

November 15 -- Program: Emma Fried-Cassorla, Council of Aging Director of Communications & Programs

Emma inspires compassion by being a voice for older adults. She manages their non-federally funded program, Caring Connections, and she is actively involved in designing and developing new programs that support seniors. As a new resident to central Oregon, Emma felt the need to invest in and support her community.

December 6 -- Program: Linda Johnson, Bend Rotary Club President

Linda is leading the Rotary Food Insecurity campaign.

Words from Your President

We're back from a whirlwind adventure in Ireland and some day will share our story and experiences in that beautiful country with its warm and friendly people.

We may not have had a September 20 meeting but in its place was the Glory Daze Car Show on Saturday, 9/24 which was a resounding success with a full complement of classic cars, entertainment, food and fun for all. Our own Jennifer Holland, the SPRD Director took the lead and did a fabulous job.

Thanks to Steve Auerbach for handling the volunteers who participated: Bill K, Sandy, Mike G and Peg. We also had a 50/50 raffle which grossed \$360. Thank you Ann for handling that. Next year this event will be on September 23, so DON'T GO ON VACATION so we can have more people to help direct the parking of 110 "show stopping" cars.

Additionally, we had a lovely club social at Toriizaka Art on W. Hood Ave on Thursday, 9/29. A big thank you to Karen Thomas and Jack Bird for allowing us the use of their beautiful and well appointed gallery. While we were expecting 30, the 16 of us who were there had a nice time of fellowship and Sandy Reilly did a fantastic job making the appetizers. We had stuffed mushrooms, chicken sate, Spanish meatballs, cheese, crackers and dessert. Thank you Sandy and Rose for doing such a beautiful and delicious spread.

Thank you to Janet Hodges, our speaker on 9/5 for sharing updates on the Sisters Historical Society and stories of her own family who were early dwellers of Sisters. We always enjoy hearing about our beautiful town and how it "used to be".

Tomorrow, we will have John Herman from the Lazy Z ranch who will speak on modeling regenerative agriculture, cultivating sustainable community and amplifying local business. Come join us for an hour of fellowship and an informative speaker.

World Polio Day is October 24

Taken from The Rotarian October issue

We remain "this close".....but the total eradication of polio continues as a prime priority of the Rotary International effort.

In April, the Global Polio Eradication Initiative launched an appeal for \$4.8 billion to fund its 2022-26 strategy for speeding up outbreak response times, making vaccination campaigns more effective, and gaining access to hard-to-reach areas. Germany is co-hosting a pledging event for the GPEI strategy at the World Health Summit in Berlin in October in conjunction with

World Polio Day on October 24. A fundraising partnership between Rotary and the Bill & Melinda Gates Foundation generates up to \$150 million annually to contribute to the effort. Here is a look at how that money used:

- \$17.8M on the vaccine, now the new nOPV2 formula
- \$12.7M on detecting the disease, the key to rapid and high-quality response
- \$53.6M on raising awareness inc. working with religious leaders & local officials toward building trust
- \$52.7 million on getting the vaccine to children, up to 370 million annually through 2026
- \$10.9 million on epidemiologists and technical experts at an international level
- \$1.3 million on ongoing research toward updating the vaccine

Service Project, Upcoming Speaker, Fundraiser in Our Future?

By Mike Corwin

Do you have a service project, fundraiser or upcoming speaker scheduled in our club's future? Looking to maintain an effective and simplified communication line to all club members, it will be vital to have all we are planning in this newsletter and the pending website update.

Do remember that I could use a related photo to use or we can discuss what might be a great illustration to accompany your story/information.

Please email me at mike.corwin@comcast.net so I can include it in this Club eNewsletter and the club website calendar!!

Tips for Nurturing the Purpose and Passion that Power Rotary

From the October issue of The Rotarian

The latest issue lists how Rotary clubs best sustain their success: Pay

attention to the comfort and care of members. The article goes on to detail six tips on how to do that.

- 1) Match members' personal passions
- 2) Be flexible
- 3) Embrace technology
- 4) Encourage Rotary training
- 5) Community projects polish the club's public image
- 6) Don't forget friendship

Visit rotary.org/membership for more ways to engage members. Stats that verify this road to membership success:

- 78% of members are satisfied with the ability to develop new friendships through Rotary
- 69% of members are satisfied with their ability to hone leadership skills through Rotary
- 60% of members are satisfied with their ability to expand professional connections through Rotary

Goals for President Lei's Year to Keep in Focus

Annual Rotary Foundation goal: \$7,500

Polio Plus contribution goal: \$2,000

Goal for Membership: Currently at 22, goal is +8 to get to 30 by 6/30/23

Club Assists Successful Car Show

By Steve Auerbach

Hello Fellow Rotarians:

Jen Holland and her SPRD crew hit it out of the park with an amazing car show....sold out at 110 cars!

Great weather.....nine car categories with 1st and 2nd place trophies awarded in each plus a People's Choice Award and Best of Show. I managed nine judges which included Bill Kelly and myself.

The place was rockin' with the DJ playing many of our favorite tunes from the 50's/60's. Rotary was the Gold sponsor and is featured on the back of the car show tshirts.

Thanks to the following parking attendants: Bill Kelly, Sandy O'Reilly, Mike Gray and Peg Bremel....next year we need six volunteers! Ann ran the Rotary 50/50 raffle

that made \$350. Great job, Ann!

Next year be available on 9/23/23...do NOT go on vacation in late September. We really needed more Rotarians to help work the show.

Upcoming Meeting Assignments

Sergeant-at-Arms October: Steve Auerbach
November and December: Peg Bermel

Greeter Duty October 4 and 18: Francie Kibby
November 1 and 15: Steve Auerbach

Thought for the Day

October 4: Sandy Reilly

October 18: Lei Darcey

November 1: Curtiss Davis

November 15: Mike Corwin

Levity for a Sisters Lifestyle

By Mike Corwin

I don't mean to brag, but I put together a puzzle in 1 day and the box said 2-4 years.
