A GREAT ANNOUNCEMENT!

By Larry Rhodes on Monday, February 20, 2024

Here is what is happening - Your Club at Work around the World!

A New Picture from Larry Rhodes from Uganda

This is the Mobile Medical Clinic set up for the medical outreach at Kalait. The people are waiting for doctor visits, eye exams, and surgeries at the clinics, and the van is used for ultrasound and for expectant mother exams.

From February 5th:

It's here.... the District Gov in Uganda and the President of Tororo Club inspect the new mobile medical vehicle obtained from our Maternal & Child health global grant. Melissa, Brett, and I should have a chance to participate next week in the first clinics enabled by it.

And Here is Melissa Bowers hard at work at the makeshift pharmacy - receiving prescriptions and/or distributing medications to folks during one of our club's medical camps in a rural Uganda village. Formulary and other medical supplies for this work were donated by and/or purchased with money raised by RCEA club members, picture by Larry Rhodes
