## From President Elect/Editor

Greetings Great RCEA,

Past President Phil will be our facilitator again this week! Thanks, PPP!

This week we will be doing some looking ahead and planning for the year ahead - 2024-25. This meeting will be helping me to create my goals for the District Governor but also laying out some of my own hopes and dreams for our club as we move forward.

This will be a meeting where we gather info and share ideas, we will have a bit of discovery to share from the 2 surveys that have went out. I am hopeful that as you read this if you haven't answered them that you will before Thursday. I am in the process of creating a 3rd that will be more specific and help us to clarify even better where we would like to go. Because I believe that this is all of our club - I want to have input from all who would like to share, help and grow!

See you Thursday - with your thinking and dreaming hats on!

President Elect David

Please note that there is a 3% transaction fee (this is a discount fee structure for non-profits - businesses incur 5%). Some people consider the fee as the cost of doing business and some people choose to donate a little more to offset the fee.
