Club of Eugene

Welcome to the Rotary Club of Eugene

Rotary is an organization of business and professional leaders united worldwide who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world. Rotary club membership represents a cross-section of the community's business and professional men and women. The world's Rotary clubs meet weekly and are nonpolitical, nonreligious, and open to all cultures, races, and creeds. [More info.....](#)

May 14 Program - The Science of Wildfire

Have you ever wondered why have the last couple of fire seasons have been so catastrophic? Is there anything we can learn from the 2018 Camp Fire? This talk will answer these and other questions regarding wildfire in the west, current trends, and what we as individuals and a community can improve on to reduce our risk from these powerful, natural events.

May 21 Program - Lane County Health Care for All Oregon

Health Care for All Oregon is a statewide coalition of over 120 member and endorsing organizations working to achieve a comprehensive, equitable, publicly funded, and high-quality health care system to serve all Oregon residents. Through grassroots activism, legislative efforts, and community education programs, HCAO aims to pass universal health care in Oregon. Henry Elder, MD will be presenting and update on what HCAO is doing and why.

May 28 Program - Cascadia Prepared

How prepared are you to survive and recover from the next Cascadia Subduction Zone earthquake? Steve Robinson, of Cascadia Prepared, tells us why, when and how we should be prepared.

Cascadia Prepared was founded in January 2017 and partners with Cascadia Region Earthquake Workgroup (CREW), Red Cross, and others. Cascadia Prepared is sponsored by OCCU, Banner Bank and SAIF among others. ♦ We are a nonprofit organization aiming to recruit thousands of members throughout the Cascadia Region, from Northern California, through Oregon and Washington, up to British Columbia, to help us survive and thrive before, during, and after the coming earthquake. ♦

The Cascadia Subduction Zone is 700 miles long off the coastline of Northern California, Oregon, Washington, and British Columbia. It has an active past with over 28 severe earthquakes in the last 6000 years. There is a great risk that another severe earthquake will happen soon.

COME ALONG WITH DG BILL

By Bill Grile

DisCon 2019 is now a great memory for the nearly 400 attendees, and it's one for the history books. Four great speakers and a peace theme. A traditional Native American salmon bake. Decksider viewing for a simulated Coast Guard helicopter bay rescue. Tall ship cruises for Sunday morning attendees. A visit by 150 year-old Paul P. Harris (Jim Lussier). Outstanding Four Way Test speeches. Informative breakout sessions. It was a great weekend.

Here's a shout out to Best Small Club Jacksonville-Applegate, Best Medium Size Club Rogue Gateway, and Best Large Club Medford Rogue. And another shout out to Best Small, Medium and Large Club Presidents Dave Price (Lincoln City RC), Diane Buche (Bandon RC) and Tom Wirth (Greater Corvallis RC).

NEWS FROM OUR OUTBOUND GROUP STUDY EXCHANGE

By Ellen Johnson

We arrived in Israel the night of May 7th, the beginning of Yom HaZikaron. This is a day where Israel stands united with the memory of their thousands of soldiers and victims of terrorism to bless their memories. It's a day to honor that their heroism and selfless devotion has bequeathed the Israelis faith, strength, and courage.
