If you haven't already done so, this is the perfect time to set up an automatic monthly contribution to **The Rotary Foundation** via your credit card. For the price of a couple of lattes every month, you can help raise the share of Metro **TRF** donors from 50% to 100%. Just go to your My Rotary account and set up your monthly donation.

Remember, **TRF** is the bank that makes our district and global grants possible. Every penny you give will return to our district after three years in the form of matching funds for grants.
