Please use the [Metro Bulletin Links](#) folder to view.

## **Project Grants Committee**

*The Project Grants Committee* makes recommendations to the Metro Club Board regarding service projects that the Club should fund. This is your opportunity to participate in the decision-making process for club service project funding. All Metro Rotarians are welcome to attend. Upcoming meetings:

## **The Rotary Foundation (TRF)**

**Update:** 15 members and \$351 to go before July 1

TRF is the bank that makes our district and global grants possible. Every penny you give will return to our district after three years in the form of matching funds for grants.

Metro's goal for total member contributions to The Rotary Foundation in the 2024-25 Rotary year is \$12,000. Contributions made between July 1, 2024 and June 30, 2025 will count towards that goal. Since July 1, 20 members have contributed \$11,649 to TRF. Let's make Metro an EREY club: At least \$100 from Every Rotarian Every Year. Go to the Rotary Foundation donation page to start your donation today.

## **TRF Polio Plus**

The vast progress made in eliminating the scourge of polio around the world is being threatened by the draconian cuts in USAID. All the more reason to redouble our efforts in collaboration with the Gates Foundation. Our club goal for Polio Plus contributions in the 2024-25 fiscal year is \$1,200. **As a result of generous contributions in April, our Club has now exceeded our goal for contributions to TRF Polio Plus.** This is an extremely important campaign for Rotary globally and we encourage all Club members to contribute to TRF Polio Plus if you have not done so already.
